He said, "Xi Zhiwei, Who Do You Think You Are to me?" What right do you have to meddle in my Affairs?"

Xi Zhiwei was stunned.

PEI Munian's Black eyes drooped down and fixed her gaze on Xi Zhiwei. Her thin lips opened slightly and she said word by word, " Xi Zhiwei, don't provoke su Wanwan. Have you forgotten again? Do you want me to remind you again?"

When Xi Zhiwei heard that calm voice, her spine could not help but shiver. She could not help but think of the slap that PEI Munian had given her the last time. She had not held back at all. Even though it had been a long time, her face still hurt when she thought about it. She covered her face and took a step back.

Her cheeks were pale and her lips trembled badly. She looked at PEI Munian's cold and heartless face and her eyes turned red. brother Munian, I, Yueyue, was only concerned about you. Moreover, it's a Kasaya."

She pursed her lips and finally couldn't help but blurt out unwillingly, " su Wanwan treated you like that. She only knew how to use you and didn't love you at all. Why are you still protecting her!

Su Wanwan didn't love him. He didn't need others to say it. He was clear about it. However, he could be angry with su Wanwan, he could blame su Wanwan, he could take revenge on su Wanwan because of his anger, but he wouldn't allow anyone else to slander su Wan and hurt su Wanwan.

PEI Munian's expression did not change at all. Even her eyes did not waver at all. She only spoke with a voice full of hostility, " Xi Zhiwei, I've said it before. Because of your brother, I can tolerate anything you do, except for su Wanwan.

Xi Zhiwei never thought that su Wanwan would do so many excessive things to him and that they would have to fight to this point. She originally thought that although he only wanted to acquire SU group, his next step would definitely be to divorce su Wanwan. However, even if he and su Wanwan were like this, his heart was still su Wanwan.

Xi Zhiwei's eyes were glistening with tears and her voice was choked with sobs. Because of her unwillingness, anger, and even more hatred, anger quickly welled up from the bottom of her heart. She shouted without care, " brother mu Nian, you said that you heard what we said just now. Didn't you hear su Wanwan say that she had no expectations of you? Are you not worthy of her doing anything for you? No matter how good you are to her, she won't appreciate it. I'm the only one who's good to you. Why can't you see it?"

"Enough!"

PEI Munian's face quickly sank. Her face was cold and her voice was sharp and terrifying. whether I love su Wanwan or not is my business. Whether it's worth it or not is also my business. It has nothing to do with you. And your business has nothing to do with me.

Obviously, he didn't say any unpleasant words, but the words he said now made her more desperate and collapse than him slapping her or him telling her to get lost. It was as if his heart could only hold one su Wan. No matter how hard she tried, she couldn't squeeze in.

Tears suddenly burst out of her eyes and Xi Zhiwei's voice was almost broken. brother mu Nian, will ran  
ran only love su Wanwan no matter what? ”

No matter what, will he only love su Wanwan?

PEI Munian did not answer. His eyes were slightly lost in thought, and they were filled with bitterness.

Seeing PEI Munian's expression, Xi Zhiwei's heart was suddenly filled with anger and hatred, slowly devouring her rationality. She clenched her fists tightly, and some terrifying and sinister thoughts quickly emerged in her mind. They took shape and were ready to move.
