264 I just like him (14)

Before he could finish speaking, su Wanwan suddenly spoke. Her voice was very calm, without the slightest ripple. Lingyu, you go first.

He didn't need to explain anything. No matter what she said, he wouldn't believe it, so there was no need to waste his breath.

Gong Lingyu's voice came to an abrupt end. Frowning slightly, he could not help but say, "Wanwan."

"This is indeed a matter between me and him. It has nothing to do with you. You should leave first." Su Wanwan's Black eyes stared at him and she said word by word.

Gong Lingyu and su Wanwan looked at each other for a few seconds. Although he was unwilling, he didn't want to put su Wanwan in a difficult position. He clenched his fists tightly and glared at PEI Munian. Then, he said to su Wanwan, "Wanwan, I'll take my leave then."

Su Wanwan nodded lightly. drive carefully.

Gong Lingyu closed the door, sat up straight, and looked at su Wanwan again. Then, he restarted the car and drove away.

Su Wanwan stood in the same place, her eyes following the direction of Gong Lingyu's car. Suddenly, she felt a pain in her wrist. Then, a cold voice rang in her ear, gloomy, "if you can't bear to part with him, why don't you let him stay!"

Su Wanwan slowly retracted her gaze and looked at PEI Munian. She fixed her gaze on his handsome face that was full of haze. She curled her lips and laughed, but that smile was filled with ridicule and self-mockery. PEI Munian, don't tell me that you're jealous.

PEI Munian's back suddenly straightened and a trace of embarrassment flashed quickly in his eyes, but it disappeared in an instant. His black eyes narrowed and he sneered. His words were fierce and merciless. su Wan, you are still my wife now, the young Madam of the PEI family. You didn't return all night and entangled with a man in broad daylight. If this person is my cousin, you are shameless, but the PEI family can't afford to lose this face!

Su Wanwan naturally didn't expect PEI Munian to be jealous. He didn't care about her in the first place. What he cared about was only his face and the PEI family's face.

Without a heart, she didn't feel sad when he said this.

Su Wanwan could still maintain the curve of her lips and her voice was faint. yes, I'm shameless. It's not like you just found out that I'm shameless today.

"Su Wanwan!" PEI Munian's Black eyes quickly sank. She gritted her teeth and the hand holding su Wanwan's wrist became stronger.

Su Wanwan felt as if the bones in her wrist were about to be crushed. It hurt so much that her forehead was covered in cold sweat, but she gritted her teeth and didn't make a sound. After forcefully holding it

back, she still curved her lips and smiled. I'm a little busy these days. When I'm done, let's make an appointment to get the divorce. This way, I won't embarrass you and your PEI family.

Divorce.

PEI Munian almost lost count of how many times su Wanwan had mentioned divorce to him in less than half a year since they got married. She was always cold-blooded and abandoned a marriage with no value without even blinking, just like how she abandoned him.

He really wanted to know what su Wan's heart was made of. The blood flowing in her body, was it ice cold, so she could be so ruthless.

His anger suddenly rose and burned vigorously. His eyes were red and he laughed in anger. you hooked up with Gong Lingyu again and you can't wait to get a divorce. Su Wanwan, you're really good!

but it's a pity that even if we divorce, the gong family won't want a second-hand item like you!
