281 Her chance (3)

The older sister jumped up from the sofa and threw a pillow at her. She chided her jokingly, " look at you, you'll definitely be taken advantage of by men in the future!

Su Wanwan took it with a smile and replied, " well, if he's willing to take me, I'm willing to be eaten alive by him.

tsk, tsk, tsk. Wanwan, don't tell me that dad and mom picked you up from the streets. You don't have the domineering aura of a sister at all!

At the side, both her parents laughed. Her mother rubbed su Wanwan's head and said softly, " it's better for girls to be gentler. Wanwan is very good like this, just like me.

Su Wanwan immediately snuggled into her mother's arms and acted coquettishly. that's right, that's right. I'm just like my mother. Sister, you're the one who was picked up!

"Stinky girl, is your skin itching again?"

Su Wanwan unceremoniously made a face at her sister. Her sister pounced over and made a mess with her.

In the middle of the night, her sister sneaked into her room and squeezed into her bed. She asked her seriously, " Wanwan, who is the boy you love? "

Who was the boy she loved?

The boy she loved was PEI Munian, of course!

From the first time she saw him, she couldn't help but fall in love with him. She didn't know why she liked him, but she just fell in love with him, and he was the only one in her heart.

She had been persistent in confessing to him. She thought that even if he didn't like her yet, he knew how she felt. Perhaps one day, he would be touched by her and then fall in love with her.

In this dream, she really dreamed that PEI Munian had fallen for her. Between them, there was no deception, no separation, no tears, only happiness and happiness.

The scene in her dream froze when PEI Munian told her that she loved her on the top of the Ferris wheel. Then, she woke up.

A piercing white light entered her eyes. Su Wanwan's Black eyes reflexively narrowed. After a while, she slowly woke up.

She saw a white ceiling in front of her, and she could smell the unique smell of disinfectant. She seemed to be in the hospital.

Su Wanwan's eyes were wide open in a daze. The bottom of her eyes was stained with bitterness little by little. There were no parents, no sister, and no PEI Munian here. All the good things were blocked in her dreams. Only dreams could have a hazy mist.

Perhaps the light was too glaring. Su Wanwan blinked and tears flowed out from the corners of her eyes. They slipped into her hair and soaked the pillow.

The door of the ward was suddenly pushed open, and footsteps could be heard.

Su Wanwan slightly turned her face and looked at the person.

Gong Lingyu strode over. When he saw su Wanwan, he quickly said, "Wanwan, you're awake? Do you feel better?"

Su Wanwan nodded lightly. okay, I'm better.

Gong Lingyu could tell that her voice was hoarse and dry, so he poured her a glass of water and adjusted the bed higher before passing the water to her. drink some water.

"Thank you," he said.

Su Wanwan held the cup and drank the water in small sips.

Gong Lingyu sat at the side and looked at su Wanwan for a few seconds with a complicated expression. He hesitated for a moment but still asked, "Wanwan, what exactly happened to you? " Why did you take that medicine? Did someone try to frame you?"

Was someone trying to frame her?

Su Wanwan's hand tightened bit by bit, and her fingertips couldn't help but turn pale.

Even now, she still could not believe that this person was her grandfather. But if it really was him,
