283 Her chance (5)

Su Wanwan looked soft and weak, but once she was stubborn, she was as stubborn as a bull. Gong Lingyu knew that he couldn't convince her, so he could only retreat in order to advance. okay, you can leave, but you have to let the doctor come and take a look at you again. After confirming that there's no problem, I'll send you home, okay? "

Su Wanwan and Gong Lingyu looked at each other for a while, pursed their lips, and then slowly nodded.

Gong Lingyu rang the bed Bell and the doctor came quickly. He first checked her heartbeat, breathing, physical condition, and then routinely asked her some questions. Su Wan answered them one by one. The doctor nodded while drawing on the paper. there shouldn't be any big problems. After you go home, drink more water and rest more.

"I understand, doctor. Thank you."

When su Wanwan got out of bed, her body was still a little weak, and her knees went soft. Gong Lingyu quickly reached out to help her. look at you, you're so stubborn. Let me help you walk.

Su Wanwan shook her head and declined Gong Lingyu's good intentions. I can walk on my own.

After su Wanwan stabilized her body, she walked forward step by step. Although she walked a little unsteadily and slowly, she still tried to walk alone and didn't need his help.

She really did not give him any chance.

Gong Lingyu's lips twitched, but he could no longer smile.

When su Wanwan returned to the SU residence, it was already late at night.

The maid was surprised to see her. miss, why are you back? " Didn't the old master say that you wouldn't be coming back tonight?"

Su Wanwan paused in the middle of changing her shoes. She raised her eyes to look at the servant and repeated stiffly, " Grandpa said I'm not coming back tonight? "

"Yup,"

Su Wanwan's hands unconsciously clenched and her eyes gradually darkened. She silently changed her shoes and spoke again, her voice without any emotion, " is Grandpa asleep? "

"Not yet. I was just about to bring him a glass of warm water."

Su Wanwan's gaze fell on the glass of water in the servant's hand. She pursed her lips and said softly, " you go to sleep. I'll bring it up to Grandpa.

"Alright," he said.

Su Wanwan held the cup and walked upstairs step by step. In the silence of the night, her footsteps were heavy and slow, but she still tried her best to walk, not letting herself retreat.

Because she knew that once she backed down, she would really lose herself and become a ridiculous puppet.

Su Wanwan walked to the door of the room. She held the cup tightly in her hand and then slowly released it. She freed one hand and knocked on the door.

"Come in,"

Su Wanwan twisted the door lock, pushed the door open, and walked in.

Su Zhenhua had never expected su Wanwan to appear here. He was so surprised that he didn't have time to hide his emotions. why are you here? "

With just this one sentence, su Wanwan knew that she didn't need to ask her question. The answer was already there.

Su Wanwan's eyes turned red, but she curved her lips and asked with a smile, " Grandpa, why wouldn't I be here? "

Su Zhenhua was suddenly swallowed by su Wanwan's words and couldn't answer.

Su Wanwan continued, " did you think that PEI Munian and I were drugged and we couldn't control ourselves from having sex, so I wouldn't be back tonight? "

Su Zhenhua's body trembled as if he didn't expect su Wanwan to say such a thing. His eyes flickered, but he had been through a lot and quickly calmed down. With a dark face, he said, " Wanwan, I don't know what you're talking about.
