Assistant Wu almost thought that he had misheard. w-what? "

Is Big Boss sure he said no? Why didn't he suppress this news? Why?

He could not help but ask again, "boss PEI, Yueyue, you're clearly not with Miss Xi. Why don't you suppress this news? If the young Madam sees Yingluo on this news ..."

Before assistant Wu could finish her sentence, PEI Munian laughed suddenly, but her laughter was extremely sad. so what if she saw it? She wouldn't mind."

Assistant Wu was at a loss for words, but he still couldn't understand. He braced himself and continued to ask, "but there's no reason for you to acquiesce to such a thing. It won't be good for Wanwan to be affected."

After a pause, assistant Wu suddenly thought of something and quickly said, " Boss PEI, did something happen that night? "

The night that assistant Wu mentioned was the night PEI Munian went to meet Su Zhenhua and su Wanwan. He received a call from him at around 11 p.m., Asking him to bring tranquilizer to Black Pond building to find him. However, when he found him, he was in the parking lot downstairs. He was injured and fell to the ground leaning against the car. His face and hands were covered in blood, and he looked like he was on the verge of death.

Assistant Wu was so scared that she was about to have a heart attack. She rushed forward to help him up. His body was burning hot, and his face was unusually red, but his lips were purple. Assistant Wu's hands were trembling as she quickly fed him the medicine.
