

## Deeply 288

288 Her chance (10)

After assistant Wu returned home that day, she had calmed down and vaguely understood what had happened. After all, they had been in such a sensitive place in the hotel room, and the big BOSS had been so angry. There was also Xi Zhiwei's clothes in a mess and she had cried so desperately.

Xi Zhiwei might have been forced to sleep with that man.

Of course, he wasn't sure. After all, he didn't see it with his own eyes!

But what he couldn't understand was that the big BOSS had told him that he was in black pool tower, but he was in the parking lot. How did he get injured and why did he know to save Xi Zhiwei as soon as he regained consciousness?

What exactly happened that night?! to be able to make the big BOSS tacitly agree to something that wasn't true!

PEI Munian did not seem to hear assistant Wu's question. He turned his head and looked out of the French window silently, his eyes slowly becoming lost in thought.

Assistant Wu couldn't help but sigh when he didn't get PEI Munian's reply. He stood rooted to the ground for a few seconds before saying, "Boss PEI, I'll be leaving first."

—

PEI Munian drove to Xi Zhiwei's apartment in the evening.

There were many reporters waiting outside her apartment. He stopped his car outside, looked at the reporters, started the car again, and left.

After driving for some distance, his phone rang. PEI Munian glanced at the caller ID and his eyes narrowed. He gripped the steering wheel with both hands and picked up his Bluetooth headset. He put it on and answered the call. Hello, Weiwei.

Xi Zhiwei's voice was no longer as sweet as before. Instead, it was filled with sorrow and despair. brother mu Nian, are you there yet?"

"Wei Wei, you should sleep early. Don't wait up for me today, I won't be going over."

Xi Zhiwei was silent for a moment, then her voice quickly turned into a sob. brother mu Nian, I don't want to be alone. When I'm alone, I always think of that night when I teased brother mu Nian. I want to die, I really want to die!

"Wei Wei, no one will know about what happened that night. Those people who saw us before will at most think that we entered that room. That man will never appear again. You should forget about this."

"I can't forget, I really can't forget. Only when you're by my side can I stop thinking about these things!" Xi Zhiwei pleaded, "brother mu Nian, come on. Didn't you promise to accompany me?" "Do you want to spend this time with me?"

“Wei Wei, Wei Wei.”

“Brother mu Nian, I know it’s hard for you to keep me company, but I’m really scared. I’m begging you.”

PEI Munian pursed her lips and remained silent. He frowned and only spoke after a long time. alright, I’ll go over now.

After hanging up the phone, he turned the steering wheel and the car stopped by the side of the road. He leaned back heavily in his chair and closed his eyes. His brows were full of fatigue.

There were many things that were really unexpected and happened out of control.

That day, after he fell to the ground, he forced himself to get up and chased him all the way to the underground parking lot. No matter what, he couldn’t let Gong Lingyu take su Wanwan away.

However, by the time he reached the parking lot, Gong Lingyu had already started the car and drove off. He tried his best to run and chase after her, but after a few steps, he knelt on the ground powerlessly.

Someone walked up behind him and supported him with one hand. brother mu Nian, what’s wrong with you? ” Are you alright?”
