290 Her chance (12)

As soon as the man finished speaking, his men rushed forward and surrounded PEI Munian. PEI Munian quickly said to Xi Zhiwei, " find a chance to run! Then, he began to fight with this group of people.

He did not know if Xi Zhiwei was frightened or what, but she stood rooted to the ground and screamed in fear. PEI Munian was not feeling well to begin with, so while dealing with so many people, she had to take care of Xi Zhiwei from time to time. After a while, he was at a disadvantage.

The group of people did not hold back at all. They punched him one after another, and some even landed on his face. PEI Munian panted heavily and pushed one of them down. Then, she shouted at Xi Zhiwei again, " hurry up and leave!

Xi Zhiwei seemed to have been awoken by the roar and started to run. However, she had not taken two steps when she was stopped by the man in the lead. He grabbed her wrist and smiled evilly. beautiful, where are you going? "

Xi Zhiwei struggled in fear, but she could not resist his strength!

On the other side, PEI Munian was being attacked by a few people. He couldn't resist them and his legs gave way as he knelt on the ground. Those people who had been punched by him just now were all pumped up and started punching and kicking him.

xi zhiwei watched as pei munian was surrounded by the crowd and beaten mercilessly. she saw that his forehead was bleeding, and so were his hands. although he did not make a sound, she knew that it must be very painful. it must be very painful. if brother munian continued to be beaten like this, he might die.

Xi Zhiwei could not care less about struggling. She opened her eyes wide and her eyes were wet. Her voice was panicked and pleading as she said, "Don't hit me, I beg you, don't hit me anymore!"

Xi Zhiwei was beautiful, but her pleading eyes were filled with tears. It immediately melted the man's heart. He raised his eyebrows and teased, " what's wrong? " Little beauty, are you feeling sorry for your man? You want me to let him go?"

Xi Zhiwei nodded eagerly.

The man shook his head. but why should I? You have to know that your man sent me to prison without mercy back then. Every day in prison, I was thinking about how to settle this score with him. Today, I finally got the chance, so how can I just let it go?"

"I can give you anything you want. Money, I can give you whatever it takes for you to let brother mu Nian go!" Xi Zhiwei continued to plead.

The man was amused by Xi Zhiwei's words."Money? I have a lot of money, I just want his life!"

"Don't!" Tears burst out of her eyes and Xi Zhiwei sobbed. no, I'm begging you. You can have anything you want, just let brother mu Nian go.

The man narrowed his eyes.

When he said that he wanted PEI Munian's life, it was just for show. He could teach him a lesson, but he really did not dare to do anything to him. After all, the PEI family was there. If he wanted PEI Munian's life, he would have to pay with his own life and even the lives of his family members. He was not stupid.

He just didn't expect that he would be able to scare this little beauty in front of him.

If Wanwan touched PEI Munian's woman, it would probably make him feel worse than if he were to touch his life.

The man touched his chin and laughed lecherously. He pulled Xi Zhiwei to PEI Munian and said, PEI Munian, your woman is willing to sacrifice herself to save you. I'll enjoy her and treat her gently!
