291 Her chance (13)

The man pulled Xi Zhiwei away forcefully, and the group of men followed him. Xi Zhiwei kept shouting in fear, " brother mu Nian, save me!

PEI Munian tried to get up, but the drug was taking effect and he had spent a lot of energy just now. He could not get up at all and could only watch as Xi Zhiwei was taken away.

Later, assistant Wu came and fed him medicine. He drove all the way to the club because he knew that it was where that person lived. Unfortunately, he was still late.

He couldn't forget that when he walked into the room, he saw Xi Zhiwei lying on the bed naked. Her face was full of death and despair. Her eyes were open and she was still breathing, but she looked like she was dead.

His entire body trembled uncontrollably.

He took off his suit and covered her with it. Then, he carefully picked her up and took her away from this painful place.

He sent her home. She was silent the entire way, and so was he. He really didn't expect things to suddenly become so bad.

To him, Xi Zhiwei had always been a younger sister. Later, because he promised her brother Xi Zhiqian that he would take good care of her, he was more tolerant and patient with her. There were many things that she didn't do too much and he didn't care. It was just that after he got together with su Wanwan, Xi Zhiwei always provoked su Wanwan and found trouble with her. Although she didn't gain any advantage in front of su Wan, he also realized that his sister and girlfriend were different. It was not the same. Furthermore, Xi Zhiwei was not his real sister.

he could be good to xi zhiwei, but he had to know his limits. otherwise, it would only cause xi zhiwei to have some absurd fantasies.

So later, there was a distance between him and Xi Zhiwei. He also began to withdraw his tolerance and patience for her, especially for su Wanwan. He was not merciful to her at all.

however, he didn't expect that she would be tainted by hanhan because of him. after he sent her back to the apartment that night, he stayed by her side. he didn't expect that she would want to take sleeping pills to commit suicide in the middle of the night. she said that she didn't want to live anymore and that she was in pain. when that man had dragged her into the room, many people had seen it and recognized her. there had been such a big commotion in the room that day. if the news of her being raped were to be exposed, her life would be ruined. it was better to leave with a clean record before it was exposed!

Zhiqian had committed suicide to leave. He couldn't let his only sister do such a stupid thing. He stopped her and promised him that he would be with her. He would be with her through it. All the pain would pass.

As for the news from Yun X Studio, he knew that it was Xi Zhiwei's doing. He did not suppress it because this news could attract everyone's attention. No one would care about what happened that night, and Xi Zhiwei's reputation would be preserved. She had already lost her innocence because of her, so he could not just let her die.

Su Wanwan wondered if she would understand him.

Or rather, would she even care?

That night, after he stopped Xi Zhiwei and watched her fall asleep, he took out his phone and wanted to call su Wanwan. He clearly hated her so much, but at such a time of powerlessness, the only person he could think of was her.

However, she had left with Gong Lingyu. He was afraid that he would break down if he called her and heard Gong Lingyu's voice.
