After the news broke, he had been waiting for her call. As long as she was willing to ask, no matter what the reason was, he would tell her the truth and ask for her understanding.

As long as she was willing to ask, as long as she was willing to listen to Wanwan,

PEI Munian took the phone and lit up the screen. In his recent call record, it was basically Xi Zhiwei. Su Wanwan did not have a single call.

PEI Munian's hand slowly tightened around her phone. Could he wait until Wanwan called?

Su Wanwan sat on the bed of the hotel and looked at the hot search on Weibo. It had been going on for a few days and the popularity had only increased and not decreased. PEI Munian and Xi Zhiwei's names had been hanging in the first and second places on the hot search list.

Su Wanwan read the Weibo posts one by one and then clicked on the video that exposed the news. The video clearly captured PEI Munian coming and going from Xi Zhiwei's apartment in the middle of the night and their hug in the apartment. Although it was only Xi Zhiwei who hugged PEI Munian, she was surprised that he didn't push her away.

Su Wanwan really wanted to see clearly what kind of expression PEI Munian had at that time. However, during the shooting, perhaps it was because the distance was too far, no matter how much she zoomed in on the scene, it was still blurry. She didn't know if PEI Munian was happy or sweet.

It should be, it should be, Yingluo.

She had seen PEI Munian holding Xi Zhiwei's wrist in the room before. Did she fall in love with her then? or even earlier?

She had always been afraid that PEI Munian would fall in love with Shangxi Zhiwei. After all, his feelings for her had always been unusual. She didn't expect that it would actually become a reality and that they were really together. Otherwise, with PEI Munian's personality, if he didn't like her, he wouldn't allow such news to exist. He would suppress it immediately, just like how he suppressed their scandal.

But why was she so sad?

She had clearly given up on PEI Munian and given up on her, but why was her heart still so painful? it was so painful that she felt like she was suffocating.

Su Wanwan covered her heart and pressed it hard, trying to ease the pain, but it had no effect at all.

Her tears fell drop by drop, wetting the phone screen. Su Wanwan wrapped her hands around her knees and slowly sobbed.

She finally didn't have to suppress her feelings and could finally cry when she was sad. However, she no longer had a shoulder to lean on and would never have one again.

Su Wanwan didn't know how long she cried. She cried so much that her whole body felt uncomfortable, especially her forehead. It hurt so much that it felt like it was about to split. Her eyebrows were tightly knitted and she couldn't help but moan.

The phone suddenly rang. Because of the pain, su Wanwan's hand fumbled around and actually pressed the answer button. The man's voice came from the other side, "Wanwan, you finally picked up the phone. Where are you? "Are you alright?"

Su Wanwan didn't want Gong Lingyu to notice that something was wrong. She gritted her teeth and tried her best to endure the pain. She grabbed the phone and slowly opened her mouth, but her voice was still a little trembling. Ling Feifei, is it Lingyu? "What's wrong? Is there anything I can help you with?"

I went to your house to look for you, but your maid said that you had a big fight with your grandfather and ran away from home. I called you, but you didn't pick up. I was worried that something had happened to you. Where are you now? "

"I'm fine. I'm fine. I just want to be alone. Don't worry about me."

Gong Lingyu was silent for a moment before his voice sank. do you know about that matter? "
