She did not believe that it was the truth if she did not see it with her own eyes. However, now that she had seen it with her own eyes, everything was real. PEI Munian and Xi Zhiwei were really together.

Her little hope and luck had become the funniest joke. She had pretended to be arrogant in front of Xi Zhiwei, but it was extremely sad.

Her tears became more and more turbulent. Su Wanwan covered her eyes and lowered her head, but her voice still couldn't help but choke up.

Upstairs.

PEI Munian was only stunned for half a second before she reacted. She immediately grabbed Xi Zhiwei's wrist and pulled her arm away. If it was any other time, Xi Zhiwei could only let go. But today, she didn't know if she was provoked by su Wan or if she just wanted to take a gamble. Her hands hugged PEI Munian even more tightly and refused to let go.

PEI Munian frowned and said in a low voice, " Weiwei, let go of my hand.

Xi Zhiwei suppressed the fear in her heart and stubbornly hugged him. Her voice was low, soft, and a little pitiful. brother mu Nian, I'm so sad. Can you just let me hug you like this? "

PEI Munian pursed her lips and did not say anything more. She increased the strength in her hands and pulled Xi Zhiwei's arm away without hesitation. He turned around and saw that Xi Zhiwei's dress was bare, revealing a large area of snow-white skin. There was also a faint fragrance coming from her body.

PEI Munian turned her eyes away expressionlessly and her voice turned cold. it's cold outside. Go in and put on your clothes.

Xi Zhiwei had always been very confident in her looks and figure. She had entered the entertainment industry and was able to rise to fame so quickly because of her good looks. However, she did not expect PEI Munian to be so calm and unaffected when she stood in front of him.

Xi Zhiwei was a little embarrassed, but she was even more unwilling. She did not believe that a weak and pitiful woman like her would be able to stand in front of him. He was also a man and he could really resist the temptation!

Xi Zhiwei blinked her big eyes and her delicate body trembled slightly. She looked at PEI Munian pitifully and pitifully. Her tone was hurt and sad. brother Munian, you think I'm dirty, don't you? You're despising me, aren't you? That's why you won't let me touch you Yingluo."

Xi Zhiwei's hurt expression softened PEI Munian's heart a little. However, this was only because of his guilt towards her and did not contain any other emotions.

"Wei Wei, don't be like this. I've never thought of it that way. Don't let your thoughts run wild."

brother mu Nian, I don't want to let my thoughts run wild, but I can't control myself. Every time I close my eyes, I'll think of that terrible thing. If I look like this, no one will want me in the future. No one will want me!

As Xi Zhiwei spoke, she suddenly became emotional and tears welled up in her big eyes. She took a step forward and looked at PEI Munian as if she was holding on to her last straw of hope. She said anxiously, " brother Munian, you said that you would take responsibility. You would take responsibility for this matter. No one wants me. Can You Take Me Back? "

Su Wanwan had been covering her face and crying. Her sobbing voice was soft and broken. The driver uncle in front was used to this kind of thing. There were often women who followed their husband's car to the small third floor, witnessed everything, and cried very sadly.

The driver sighed and advised, " "Young miss, don't be too sad. Rather than crying here, you might as well go up and beat up that heartless man."
