

### Deeply 303

303 The only thing I can't give you (9)

PEI Munian suddenly raised her hand. The ring on her ring finger shone brightly under the light. my love and marriage can only be su Wanwan.

Pausing for a moment, PEI Munian pursed her lips and continued, " I have other things to do tonight. I'll get your manager to come over and accompany you. Rest well, I'll be leaving first.

As soon as she finished speaking, PEI Munian did not wait for Xi Zhiwei to speak. She walked around her and left.

Xi Zhiwei's shoulder touched PEI Munian's shoulder lightly. Although there was not much strength, she was pushed back two steps. Tonight, she had thrown away all her dignity and dignity to say those words to PEI Munian, but he still ruthlessly destroyed her hope!

Even though he felt guilty towards her, he still wouldn't give her a chance?

Xi Zhiwei's eyes turned red and tears fell. She turned around and looked at PEI Munian's back. A strong sense of unwillingness stimulated her. She clenched her fists tightly and shouted without care, " brother Munian, you and su Wanwan are like this now. Can you still continue? " What if she wants to divorce you? Do you still want to keep this ridiculous marriage?"

PEI Munian stopped in her tracks. He did not turn around, but his voice was cold. that's my business. It has nothing to do with you.

His matters

That's right, it's his business!

In his eyes, she, Xi Zhiwei, would always be an outsider, an outsider! He had said so nicely that he wanted to take care of her and take responsibility, but he was just brushing her off.

After PEI Munian left, Xi Zhiwei raised her head and laughed a few times. Then, as if she had gone crazy, she smashed everything in the house. She fell in the middle of the house, laughing and crying.

When PEI Munian walked out of the apartment building, he saw a taxi in front of him turn around and leave. He glanced at it subconsciously and vaguely saw a red figure sitting in the back seat. That red was the same red he saw behind the big tree at the company entrance.

However, before he could see clearly, the car had already driven into the vast night.

He stood there, and strangely, his heart trembled involuntarily, as if he had missed something.

—

Gong Lingyu picked su Wanwan up from the taxi. She cried so much that her whole body was weak and she couldn't even stand steadily. Gong Lingyu quickly reached out to support her.

The driver uncle handed su Wanwan's bag and mobile phone to Gong Lingyu. He freed one hand to catch it, thanked the driver uncle, and asked how much the fare was.

The driver waved his hand. it's okay, it's okay. You should comfort your friend. The young lady has suffered a huge blow tonight. You should try to persuade her to think it through.

Gong Lingyu was stunned. w-what do you mean? "

"Your friend saw her husband with another woman, that's why she's so sad."

"Is, is that so?" Gong Lingyu's expression froze for a moment, but it disappeared in a flash. He squeezed out a smile and thanked the driver again. Then, he helped su Wan to his car.

Su Wanwan cried until her whole body was almost dehydrated. Her tears almost couldn't flow out, but her eyes were wide open and her appearance was dull and listless, which made people feel more uncomfortable.

Gong Lingyu took a tissue and helped su Wanwan wipe the tears on her face. He then unscrewed a bottle of water and handed it to her. Wanwan, drink some water. Your throat is hoarse.

Su Wanwan turned her eyes stiffly and looked at Gong Lingyu in a daze. After a while, she slowly opened her mouth and spat out word by word, " I don't want to drink water. I want to drink wine.
