It was a staff member's computer. The Weibo page was on the screen. She happened to be browsing the real-time hot search on Weibo. His and Xi Zhiwei's popularity had dropped. Now, in front of the hot search, su Wanwan's name and Xuanji Palace's Ling Yu's name were hanging.

Why were the two of them on the hot search at the same time?

PEI Munian suddenly strode over and snatched the mouse from the staff member's hand. The staff member was shocked and quickly stood up, stammering, " B-boss PEI.

PEI Munian ignored him and directly clicked on their names. Then, he saw the content related to them.

Assistant Wu followed from behind and peeked out curiously. What he saw was like a bucket of cold water being poured on his head. He felt a chill in his heart. He looked at PEI Munian with fear and trepidation. He stood there, unmoving, his dark eyes staring at the picture on the screen. His heart trembled fiercely.

What the hell is this!

Assistant Wu couldn't help but glare at the staff member. Why was he scrolling through Weibo instead of working during working hours?

PEI Munian's hands were clenched tightly, but her voice was unexpectedly calm. this ... When did this happen? "

The staff member was shocked by the big BOSS's cold face and only reacted after a few seconds. He replied in a trembling voice, " a ... A few days ago, it was exposed. A ... A netizen was playing on the beach that night and saw ... Saw a couple. It was very romantic, so he took a photo and uploaded it. Later, it was discovered that it was the daughter of the SU family and the young master of the gong family.

Yes, how romantic. At night, the sea, the moonlight, the two people sat on the beach. Su Wanwan leaned on Gong Lingyu, and Gong Lingyu hugged her. They were a man and a concubine, and they were both sweet and affectionate.

PEI Munian's lips curled up. The next second, she smashed the mouse on the ground and strode towards the office.

Assistant Wu stood rooted to the ground. His heart was about to jump out of his chest. He took a few deep breaths before he carefully followed behind her.

Assistant Wu walked into the office and saw his Big Boss standing by the floor-to-ceiling window with his fists clenched tightly. His muscles were tensed, and his handsome face was gloomy. He lowered his head and did not dare to look at him, but he still braced himself and said, " boss PEI, there might be ... There might be some misunderstanding. The young Madam and young master Gong should not have anything going on.

Their names seemed to have hit PEI Munian's sore spot. He raised his arm and swept everything off the desk. Assistant Wu immediately shut her mouth.

Assistant Wu quietly tidied up the things that had fallen on the floor. Then, she asked weakly, "boss PEI, do you still want to book the private room for tonight?"

"Get out!"

Assistant Wu turned around and left without hesitation, closing the office door behind her.

Su Wanwan waited until evening, but PEI Munian didn't call or send her a text message to tell her where to meet.

Su Wanwan looked at the time and felt that she should give PEI Munian a call.

The phone rang for a long time before the other side picked up. However, the voice was different from that in the morning. It was cold and deep. what's the matter? "

Su Wanwan was slightly surprised, but she quickly calmed down. we made an appointment to meet tonight.

"Yes, we've agreed to meet tonight," PEI Munian sneered. however, I have a meeting tonight and I don't know how long it will last. If you can wait, then just wait.
