320 I need to give her a status (16)

PEI Munian laughed a few times and stopped. He looked at su Wan again, the light in his eyes so deep that not a single light could be seen. we divorced, and then? ”

Su Wanwan was stunned for a moment. What then?

PEI Munian didn't wait for su Wanwan's answer and continued, ” you're in such a hurry to divorce me. It seems that Gong Lingyu is ready to marry you. He's really insistently accepting Wanwan.

Su Wanwan realized that PEI Munian was going to say something unpleasant and interrupted him. enough. Don't involve others in the matters between us. After the divorce, what happens to me is my own business. It has nothing to do with you and you don't need to ask.

“Someone else?”

PEI Munian raised her eyebrows and her eyes gradually turned cold. is Gong Lingyu someone else to you? It was so romantic to go on a date and hug by the beach at night. Were they still people? Su Wanwan, if you must lie, can you not let others catch hold of your weakness? Who are you trying to fool by always telling such a lie that can be easily exposed?”

What date and hug by the sea at night?

Su Wanwan furrowed her brows. The memory of that day when she saw him and Xi Zhiwei together and was drinking by the beach sadly appeared in her mind. Gong Lingyu lent her his shoulder to lean on. How did it become a date hug? And how did he know?

Su Wanwan's eyes turned cold. PEI Munian, you followed me? ”

“Followed?”

It was as if PEI Munian had heard the biggest joke in the world. He threw the towel in his hand down and grabbed his phone on the table. He quickly pressed a few buttons and then threw the phone to su Wanwan. if you don't want people to know, don't do it!

Su Wanwan picked up the phone and looked at the screen. The photo of her and Gong Lingyu on the beach that night was displayed on the screen.

There was nothing between them. There was nothing between them, but from the photo, perhaps it was a problem with the angle, but the two of them did look very intimate.

She leaned against Gong Lingyu like a little bird relying on a man. Gong Lingyu opened his arms and held her in his arms. The two of them faced the sea and snuggled up to each other, as if they were really happy and sweet.

But that wasn't the case at all. Su Wanwan opened her mouth and wanted to explain, but the words from the phone quickly flashed past her ears. Wanwan, since you and mu Nian have come to this point, if everyone is in so much pain, then you don't have to force yourself to be together. Moreover, Weiwei, Xuanji is pregnant. The PEI family needs to give her a status. I hope you can understand.

The words in her throat seemed to be blocked by something, and she couldn't make a sound.

What could she do even if she explained? She and PEI Munian should not have had this marriage in the first place. He did not belong to her. She had tried to force him but failed in the end. In that case, she would let her leave so that she could still maintain her initial pride.

Su Wanwan's eyes turned red, but the corners of her lips curved. Ah, so boring. It seems that my acting skills have really deteriorated. I can't lie to you anymore. Originally, I was thinking that if the company really went bankrupt, I could try to act. Didn't you say that my acting skills in the past could even get the best Actress? "

but since it's already like this, let's get to the bottom of it. You have Xi Zhiwei and I have Lingyu. We're divorced and we're living our own lives. It's considered that we've parted on good terms. It's not in vain that Qianqian and I have known each other for so many years, right? "

As soon as su Wanwan's words fell, PEI Munian suddenly reached out and grabbed her lapels, pulling her in front of her. Her tone was extremely cold. let's part on good terms? "
