Su Wanwan's eyebrows were tightly knitted and her hand pressed her temple.

Gong Lingyu saw that she didn't look too good and quickly stopped her. Wanwan, forget it. Don't think about it anymore. Perhaps you've been under too much pressure during this period of time, or perhaps you're too sad. That's why you're so muddleheaded and forgot everything you've done. But it's fine now, so don't think too much.

Gong Lingyu's words made sense. The fuzzy memories in her head proved that she didn't sleep all the time during those seven days. Perhaps it was really because what happened that night had dealt a huge blow to her, so she had been muddleheaded for the past seven days.

Su Wanwan forced out a smile. okay, I won't think about it. I'm sorry to make you worry again.

"There's no need to say all this between us. Aren't we Yingluo's friends? you haven't been out for the past few days and you don't look well. Let's go out for a walk and have a meal. You've been eating instant noodles these days. It's not good for your health."

Su Wanwan truly treated Gong Lingyu as a friend and cherished him as a friend. However, after seeing the gossip about them on Weibo, she knew that she should keep a distance from Gong Lingyu. She was naturally not afraid of how others would look at her, but she was afraid that others would misunderstand Gong Lingyu and think that he was really with her, delaying him.

Actually, she could vaguely sense that Gong Lingyu still had some feelings for her. However, Yingluo's heart wasn't with him even after she divorced PEI Munian. In the past, she thought that she could marry him because she didn't have that many feelings for him. It was just an exchange of benefits and each getting what they wanted. But now, he was her friend. She didn't love him and didn't want to hurt him. He deserved a better girl, a girl who loved him wholeheartedly.

However, she had to eat this meal. He had been by her side recently, comforting her, helping her, and she had used him. She had to thank him properly no matter what.

Su Wanwan smiled and nodded. mm, then you sit first. I'll go and wash up.

"Alright, I'll wait for you."

There was a small park opposite the hotel. At this time, the sun was just right. It was slightly slow and blew on the body. It was neither hot nor cold. Su Wanwan raised her head and the warm light shone on her face. She closed her eyes and enjoyed this kind of light.

Gong Lingyu stood at the side and watched. The sunlight shone on the fine hair on her face clearly, setting off the smile on her lips. It looked so lively and cute. As he watched, he couldn't help but be infatuated. Such a beautiful girl should have such a smile.

When su Wanwan opened her eyes, she happened to see Gong Lingyu's gaze. She couldn't help but sigh in her heart. Then, she turned her eyes away as if nothing had happened and said, "let's go. Let's go eat. I'll treat you."

Gong Lingyu laughed. how can I let a lady treat me? of course, I'll treat you.

no, I have to treat you today because I want to thank you, Yingluo. Also, I want to apologize to you.

"Sorry?"

Su Wanwan lowered her eyes and said with a hint of embarrassment, "recently, PEI Munian has been misunderstanding our relationship. I didn't explain it because I wanted to talk about divorce with him. I didn't ask for your consent in advance and used you as a shield. I'm really sorry."

Gong Lingyu was stunned. He didn't expect that su Wanwan would actually use him as a shield.
