When su Wanwan saw Gong Lingyu's dazed expression, she felt even more ashamed. Her eyes flickered and her voice also lowered. Lingyu, I'm really sorry, I ran ran.

"I don't mind,"

As soon as Gong Lingyu reacted, he immediately opened his mouth. He looked at su Wan and his eyes seemed to contain a smile. Wanwan, if you want to use me, then just do it. I don't mind at all. On the contrary, I'm quite happy.

This was what su Wanwan was afraid of. She frowned and subconsciously said, "Lingyu, it's Yingluo."

Gong Lingyu seemed to know what she wanted to say and interrupted her without hesitation. since that's the case, you should treat me to this meal. I won't fight with you. Did you bring enough money today? I'm going to eat the most expensive one. Let's go!"

As soon as he finished speaking, Gong Lingyu pulled su Wanwan away without giving her a chance to speak.

Su Wanwan could only put her words back in her stomach and thought that it would be the same to talk about it after dinner.

Gong Lingyu said he wanted to eat the most expensive, but in the end, he only chose a mid-tier restaurant. Su Wanwan knew that he was concerned about her wallet. After all, she had spent all her money on the company and was indeed very poor now.

Su Wanwan was very touched by his thoughtfulness.

Su Wanwan handed the menu to him and said, "order whatever you like. Mm, I still have enough money for a meal.

"Don't worry, I won't be polite with you."

Gong Lingyu took the menu. This time, he really did not stand on ceremony with her and ordered a few of the most expensive dishes in the restaurant in one go.

After the waiter left, su Wanwan picked up the cup and toasted Gong Lingyu. there's no wine, so I'll use water to drink. A toast to you, Lingyu. Thank you. Thank you for accompanying me and comforting me when I'm unhappy. I'm really lucky to have you as a friend.

Gong Lingyu also picked up the glass of water beside him and clinked his glass with su Wan's. Wanwan, there's no need to say thank you between us. I'm also happy that I can accompany you when you're sad. I also cherish you as a friend.

There were some things that didn't need to be said too clearly for both of them to understand. Gong Lingyu had always been as gentle as water and had never given her any pressure. She could also be very relaxed in front of him without any burden.

Su Wanwan curved her lips and smiled, drinking a mouthful of water.

Gong Lingyu took a sip as well and put it down. He hesitated for a few seconds before opening his mouth. Wanwan, I heard that Wanwan's aunt seems to be making arrangements about PEI Munian and Xi Zhiwei. Do you know about this? "

These days, he was so anxious to find su Wan because he heard about this matter. The scene of her breaking down and crying at the beach that night was still vivid in his mind, so he was very afraid that she couldn't take it and something happened.

She had always been this quick in arranging matters between PEI Munian and Xi Zhiwei.

Su Wanwan's hand that was holding the cup unconsciously clenched. The smile on her face did not change, but her voice still lowered, " really? But it should be, isn't Xi Zhiwei pregnant? they have to hold the wedding before she shows her pregnancy."

Although she maintained a smile, anyone could see how forced her smile was, as if it could break at any time.

"Pregnant?" Gong Lingyu exclaimed in surprise, " w-when did this happen? "

some time ago, it was Mother, Wanwan, and Madam PEI who told me. It should be more than a month now. The wedding is going to be held, so the time should be quite tight.
