No matter how fast su Wanwan ran, PEI Munian quickly closed the distance between them. Her heart was beating fast and she rushed forward blindly. Who knew that when she rushed over, the glass door had not even opened in time and she crashed into it.

Her head heavily hit the glass door. Su Wanwan was in so much pain that she broke out in a cold sweat. Her eyes suddenly turned black. Because the impact force was too big, her footsteps staggered back and she fell down.

PEI Munian was shocked and reflexively rushed forward. Before su Wanwan fell to the ground, she caught her body with both arms.

Su Wanwan fell into PEI Munian's arms. Her whole head was dizzy and her head felt like it was being pricked by needles. She couldn't help but grab PEI Munian's arm and groaned in pain.

PEI Munian's brows were tightly knitted and his eyes were filled with worry. He looked at su Wanwan's pale face in his arms and said in a deep voice, "Wanwan, how are you?"

Su Wanwan was in so much pain that her consciousness was a little scattered. But when she heard PEI Munian's voice, her body still trembled unconsciously. Did PEI Munian still catch up to her? No, no, she could not let him take the divorce agreement back.

Su Wanwan gritted her teeth and forced herself to ignore the headache. She opened her eyes, endured the blurriness in front of her eyes, and reached out to push PEI Munian. I, I'm fine. You, you don't, don't need to care.

She wanted to leave, but she had only taken two steps when her knees went soft again.

PEI Munian looked at her, who was still so resistant to him even though she had knocked into him like this. The pain in his heart hit him heavily. His hands unconsciously clenched and he lowered his eyes to hide the sadness in his eyes. Then, he took two steps forward and carried su Wanwan in his arms without saying anything.

Her body suddenly rose into the air. Su Wanwan exclaimed and her hands reflexively wrapped around PEI Munian's neck to prevent herself from falling. But very quickly, she reacted and started to struggle. However, her voice was very weak. let, let me go.

She did not know how much longer she could hold on. She had to stay out of PEI Munian's sight before she fell!

However, the more she struggled, the tighter PEI Munian hugged her, until she could not move.

There was no expression on PEI Munian's handsome face. He looked at her with his dark eyes and moved his lips as if he wanted to say something. However, he did not say anything in the end. He turned around and walked upstairs.

Su Wanwan didn't want to stay with PEI Munian for a moment longer. She was afraid that he would see through her and take back the divorce agreement. She wanted to struggle and escape, but she still

couldn't resist the dizziness and pain in her head. Her eyes were gradually covered by a black fog. Su Wan's head tilted and fell on PEI Munian's shoulder, losing consciousness.

PEI Munian carried su Wanwan all the way back to the office. When assistant Wu saw this, she was stunned at first, then she was overjoyed. This Big Boss went to get young Madam back? However, this joy only lasted for a second. He saw su Wanwan's pale face and immediately realized that it wasn't what he imagined. He quickly said, "Boss PEI, what's wrong with Yingluo?"

she hit her head. Go get the first aid kit.

As PEI Munian spoke, she carefully placed su Wanwan on the sofa.

"Ah? Yes, yes, I'll go get it now!"

PEI Munian sat on the edge of the sofa and reached out to stroke the hair on su Wanwan's face. Her fair forehead was red and swollen.
