Su Wanwan got up too quickly and pulled the wound on her head. The pain immediately hit her. Su Wanwan's hand couldn't help but cover her head and she cried out in pain.

PEI Munian reached out to hold her shoulders and said in a deep voice, " don't move.

He was just worried that she would hurt his wound again, but su Wanwan seemed to be greatly frightened. She pushed his hand away and shrank back into the sofa. Her big eyes were filled with vigilance and uneasiness and her voice trembled slightly. PEI Munian, what do you want to do to me again? " Why am I here? Were you the one who caught me?"

".....?"

PEI Munian looked at su Wanwan in surprise.

He never thought that su Wanwan would actually ask why she was here? She even asked if he was the one who caught her?

She was the one who came here today to divorce him.

"Su Wanwan, you Wan Wan." PEI Munian paused for a moment, not knowing if she should be angry or laugh. did you knock your head and become stupid? "

With PEI Munian's reminder, su Wanwan felt a sharp pain in her head again. Her hand gently touched the wound and she became more confused. I, I, did I hit my head? "

PEI Munian's Black eyes narrowed. He just said it casually, but the SU Wan in front of him really didn't seem quite right. It didn't seem like she just hit her head and her consciousness was a little confused.

PEI Munian observed her without making a sound. She furrowed her brows and opened her mouth. you, don't you remember hitting your head? You hit the glass door just now."

"I'm Yingying."

Su Wanwan frowned. Her eyes were still in a daze. She simply couldn't remember why she was here and how she hit her head. It was just that she suddenly realized that her memory was starting to have problems again. During this time, she often woke up and forgot what she had done before.

However, why did she lose her temper in front of PEI Munian? she did not want PEI Munian to find out about her bad points, lest she become his weapon for revenge.

Su Wanwan's hand clenched hard. She suppressed the pain in her head and tried to calm herself down. She took a deep breath and forced herself to smile. of, of course I remember. I, I accidentally hit my head. But, I'm fine now. I, I have to go first.

As su Wanwan spoke, she hurriedly got up from the sofa and walked towards the door.

However, her wrist was suddenly clasped. In the next second, su Wanwan was pulled back to sit on the sofa. PEI Munian leaned over and su Wan's body unconsciously leaned back until her back hit the back of the sofa and she could no longer move back.

PEI Munian's hands slammed against the back of the sofa and his arms firmly imprisoned su Wanwan in front of him. His handsome face was only a hair's breadth away from su Wanwan's. His hot breath was almost sprinkled on su Wanwan's cheek.

Su Wanwan's eyes were full of panic. She pressed her hands against PEI Munian's chest and forced herself to remain calm. PEI Munian, you Yueyue, don't think of doing anything to me again. I, Yueyue, I will call the police!

PEI Munian sneered, as if she didn't care about her words at all. That pair of black eyes were deep and heavy. He stared at her and said word by word, " su Wan, do you really remember that you hit the glass door? "

Su Wanwan felt a chill on her back and it slowly invaded her.
