

Deeply 362

362 I'd rather you hate me VIII

PEI Munian's hand reflexively covered her neck. Her hand could feel the sticky moisture, which showed how ruthless and determined su Wanwan was. A trace of hesitation flashed in PEI Munian's eyes, but it disappeared in a flash and she became determined again.

He couldn't retreat. Once he also retreated, no one would be able to protect su Wan.

PEI Munian strode out with his long legs and quickly chased after her. His arms and legs were long. Su Wanwan couldn't even run a few steps before he grabbed her shoulder from behind. His hand exerted force and turned her body over. The next second, he directly carried her up horizontally.

"Let me go!"

Su Wanwan pressed her hands against PEI Munian's chest and pushed him hard. She struggled in his arms and waved her hands. She even accidentally scratched PEI Munian's face and her nails directly cut a bloody mark on his cheek.

PEI Munian groaned and her brows furrowed tightly. He looked at su Wan in his arms. Because of her violent struggle, it seemed to have pulled on the wound on her forehead. Her face was pale from the pain and her forehead was covered with thin and dense cold sweat. She was so emotional that it affected the child. One of her hands was unconsciously covering her lower abdomen.

PEI Munian sighed deeply. He wasn't angry that su Wanwan hurt him. He was afraid that su Wanwan would hurt herself. PEI Munian closed her eyes. When she opened them again, the bottom of her eyes was cold. The corners of his lips rose evilly and his voice revealed a strong sense of danger. He pressed straight towards su Wanwan. su Wanwan, you want me to let go of you now, right? " Alright, then I'll let you go and save me some effort!"

Before su Wanwan could react to the meaning of PEI Munian's words, PEI Munian's grip on her suddenly loosened and su Wanwan's entire body fell straight down.

She didn't expect him to let go just like that. She was still a distance away from the ground.

Su Wanwan reflexively grabbed PEI Munian's neck and held it tightly. Like a vine, she wrapped around him, afraid that she would really fall.

PEI Munian did not really want to let go of her. When she grabbed him, he quickly tightened his grip and held her firmly in front of him.

Su Wanwan seemed to be really frightened. Her whole body trembled fiercely and she forgot to struggle. She just leaned in his arms like that, but that pair of hands grabbed his shoulders fiercely, making him feel pain.

PEI Munian lowered her eyes and her black eyes fell on su Wanwan's trembling eyelashes. Her heart ached a little, but he had to be the bad guy.

He hardened his heart, withdrew his gaze, carried su Wanwan, and strode out of the black pool.

The chauffeur was already waiting at the door. Seeing PEI Munian walk over, he quickly opened the door of the back seat. PEI Munian bent down slightly and put su Wanwan inside.

As soon as su Wanwan was put down, it was as if she suddenly came back to her senses and quickly reached out to open the door on the other side.

PEI Munian seemed to know that she would do this. She quickly grabbed her wrist and then sat in the car. He spread his arms and firmly imprisoned su Wanwan in his arms. Su Wanwan struggled hard but couldn't break his hand, so she opened her mouth and bit his hand.

PEI Munian frowned in pain but did not let go of her. Instead, she looked up and said coldly to the chauffeur in front, " go to the hospital.

Su Wanwan's body trembled fiercely when she heard these three cold words.
