366 I'd rather you hate me (12)

Only PEI Munian and su Wanwan were left in the ward. It became quieter and quieter, so quiet that they could hear each other's thumping heartbeats.

Su Wanwan's Black eyes were wide and round, her long eyelashes blinked and her mind was blank.

PEI Munian kissed su Wanwan to calm her down and stop her from being so agitated. After all, her current body didn't allow her to be like this. However, when their lips touched, her softness and sweetness instantly enveloped him. His lips only touched her lips, but he subconsciously deepened the kiss.

When PEI Munian pried open su Wanwan's teeth and tried to break in with the tip of her tongue, su Wanwan's whole body trembled. The consciousness that was drawn away by shock finally returned. Her hand reflexively pushed PEI Munian away.

PEI Munian took a few steps back from the push before she could steady herself.

Su Wanwan covered her mouth, her black eyes still wide open. She looked at PEI Munian in disbelief and stuttered, " you're y-y-y-y-PEI Munian, what are you doing here? "

PEI Munian lazily lifted his eyelids. His dark eyes fell on su Wanwan's face. He opened his mouth and spoke in a faint voice, not hiding his thoughts at all, " I want you to be quiet.

".....?"

Su Wanwan's cheeks flushed red with anger at PEI Munian's indifferent attitude. then, then you can't just, just touch me.

"I've always pursued efficiency in doing things. This is the most effective way, isn't it?"

"You,"

Su Wanwan's chest heaved up and down violently. She was so agitated by PEI Munian's Rascal words that she couldn't refute. Her breath was stuck in her heart, unable to go up or down.

PEI Munian looked at her and added coldly, " the doctor said that you have symptoms of a threatened miscarriage. If you want to experience what happened just now again, go ahead and make a scene.

One sentence directly hit su Wan's Achilles "heel. Su Wan stood there, her hands tightly clenched. But in the end, she still took a deep breath a few times and forcibly suppressed the anger and anxiety in her heart.

That's right, there was no use in getting angry or throwing a tantrum. Instead, it would affect her child. Just now, Qianqian almost lost her child. She didn't want to experience that fear again.

After su Wanwan calmed herself down a little, she raised her eyes and looked at PEI Munian. She said in a low voice, " PEI Munian, you have no right to imprison me here. I want to leave!

PEI Munian's Black eyes met su Wanwan's eyes. Her eyes were black and bright, carrying her stubbornness and determination. If possible, he hoped that he could protect her child for her. Unfortunately, Hanhan was not that omnipotent. There were also times when he was helpless.

PEI Munian lowered her eyes. He couldn't look her in the eye because he was afraid that he would soften his heart and let her do whatever she wanted if she wasn't careful.

PEI Munian swallowed her saliva and her Adam's apple bobbed up and down. Then, she opened her mouth and spat out word by word cruelly, " I'll make you leave after you're done with your abortion-

If he could save her life, if she could live well in this world, he was willing to be the bad guy, he was willing to be the executioner who killed his own child with his own hands!

"Su Wanwan, I'd rather you hate me. I want you to be well."

This sentence, in his heart, was silent.

As soon as PEI Munian's words fell, su Wanwan casually grabbed her mobile phone and threw it at PEI Munian's face.
