

## Deeply 406

406 Give me back my life (6)

PEI Munian, I won't do the surgery. I want the blood clot to stay in my brain!

She wanted to forget him. She wanted to forget him completely. If there was a next life, she didn't want to meet him again. She didn't want to meet him again. She didn't want to fall in love with him again.

The determination in su Wanwan's eyes and the ruthlessness in her words turned into an invisible knife and ruthlessly stabbed into PEI Munian's heart. PEI Munian froze in place, the blood in her body seemed to have stopped, and her body suddenly became extremely cold.

In front of su Wanwan, in front of the woman he deeply loved, he put on the fiercest and most vicious side, just to force her to be angry, to be unwilling, to have the desire to live. Even if she lived and hated him, it was better than her disappearing from this world.

However, his bargaining chip had no effect on su Wanwan, who was bent on seeking death. The threat became a joke and he could not find a second bargaining chip.

He was like a helpless child, trying hard to find a reason for her to live, no matter what it was!

"Su Wanwan, you're going to die like this, are you willing? Don't you like Gong Lingyu? You're just going to leave him like this?"

"Yes, I do like him, but in my heart, he deserves a better woman. He will find a better woman in the future, so I can leave without worry."

Su Wanwan's hand forcefully pried PEI Munian's hand away. She even curved her lips into a smile. PEI Munian, you can't stop a person who is bent on seeking death. I only hope that in my next life, I won't see you again!

Love and hate always happened in an instant. She hated him as much as she once loved him, but the person she hated the most was himself.

She hated herself for being so stubborn, hated herself for being delusional, and hated herself for being so full of herself.

She really thought that as long as she kept wooing PEI Munian and telling her that she liked him and loved him, he would be able to feel her feelings and be moved by her.

At that time, Grandpa had forced her to marry PEI Munian. How could she not have a glimmer of hope?

On this Path of Blood and tears, she was actually willing because she was willing. She had no right to hate him. He was not wrong, he just did not love her.

But her child did nothing wrong.

She was the one in the wrong. She was the stubborn one. Why was her child the one receiving retribution?

"PEI Munian, get lost! Wanwan, get lost!"

Su Wanwan's eyes were filled with tears. She raised her hand, pointed at the door, and shouted with all her strength, " I don't want to see you, I don't want to see you!

Su Wanwan's emotions suddenly broke down again, causing her head to hurt. She hugged her head and rolled around on the bed in pain. PEI Munian wanted to go forward but was stopped by the nurse. boss PEI, you should leave. Don't provoke miss su anymore.

PEI Munian's footsteps stopped abruptly, and the tears in her eyes fell.

The nurse went forward to comfort su Wanwan. Su Wanwan leaned in her arms and cried her heart out. PEI Munian's body stiffened, she slowly turned around and walked out of the ward step by step.

Su Wanwan's crying ruthlessly hit him, as if a big hand was tearing his heart apart. His hand clenched into a fist and smashed it against the wall.

This was the first time she had ever teased him so much.

He couldn't protect his child, Yingluo, and he couldn't protect his beloved woman, Yingluo.

After a long time, he wiped his face hard, took out his phone, and made a call.
