416 Trying to be together (6)

Su Wanwan felt that her hand was suddenly held back. His strength was very strong and she felt a little pain from the grip, making her voice stop abruptly.

Perhaps it was because it was late at night, but she felt that Gong Lingyu's voice was even deeper and hoarser. Wanwan, don't say anymore. These things won't happen. You'll definitely live well.

Su Wanwan laughed. Lingyu, I have to say it because I might not have the chance to say it again.

"Wanwan!" Gong Lingyu berated, not hiding his anger at all in his voice.

Su Wanwan paused for a moment. She wanted to smile, but tears gushed out. She really didn't expect that when her life was about to be counted down, the person accompanying her wasn't PEI Munian, who she had always missed and wanted to grow old with, but Gong Lingyu, who had always been silently giving for her.

Over the past few days, she was touched by Gong Lingyu. Just now, her heart was touched for a moment, which gave her a trace of courage to pursue love again.

Su Wanwan sniffed hard and suppressed the sourness in her heart. She said in a hoarse voice, word by word, "Lingyu, if I can, if I'm lucky, if my operation is successful and I survive, let's try to be together."

If she could survive, if the heavens were willing to give her a new life, she would not repeat the same mistakes, not be entangled in the past, and not have that extravagant and hopeless dream again.

She was willing to let go of him and give him a chance to hold hands with someone who loved her.

All the blood in PEI Munian's body seemed to have frozen at this moment. His body turned cold bit by bit as if he was in an ice cave.

He knew that Su Wanwan liked Gong Lingyu. She had also told him again and again how much she liked Gong Lingyu.

However, when she risked her life to protect their child, when she moved into the apartment alone to recuperate, when she didn't contact Gong Lingyu for such a long time, his heart still couldn't help but give birth to wisps of hope.

Perhaps, Su Wanwan's claim that she liked Gong Lingyu was just an excuse. She just wanted to provoke him and an excuse to divorce him.

So it's not like this, Yingluo.

She did like Gong Lingyu in her heart. She could still like and love someone.

It was just that her love and affection could be given to the child and Gong Lingyu, but not to him, PEI Munian.

"Can I?"

The man didn't answer for a long time. Su Wan couldn't help but feel a little uneasy. Did she misunderstand? Gong Lingyu had only been taking care of her like this out of friendship?

If that was the case, then she would take back what she had just said. It was not a bad thing for them to still be friends. Gong Lingyu indeed deserved a better girl.

PEI Munian looked at su Wanwan's careful appearance. She was nervous and looking forward to it. The image of her praying with her eyes closed in front of Jesus in the morning appeared in his mind. At that time, her face suddenly bloomed with splendor, adding a bit of color to her haggardness. That was a color he had not seen for a long time.

At that time, he was wondering what she was praying for. Perhaps, she was praying for her relationship with Gong Lingyu?

If it's Yingluo, if it's Yingluo

PEI Munian closed her eyes in pain. As long as she was happy and alive, would he be able to let go and let them be together?
