428 The happiness that was stolen (12)

Gong Lingyu had just finished speaking when PEI Munian exerted force in her hand, causing him to gasp in pain.

PEI Munian's calm eyes were finally stained with a touch of anger.

He didn't deny the hurt he caused Wanwan in the past. He did make a mistake and that's why Wanwan became like this. He really planned to let go, but the heavens just had to take away su Wanwan's original life and let her start over. This was equivalent to letting him start over as well.

Let him have the opportunity to make up for the harm he had done to her, take good care of her, love her, and use the rest of his life to exchange for su Wanwan's happiness.

Of course, he also admitted that he forced su Wan to stay because he had his own selfish motives, but more importantly, Gong Lingyu might not be able to give her happiness. He was different from him. He was a flower in a greenhouse. He grew up in a superior family and under the care of his parents. He had never experienced setbacks and never tried failure. He could be with Wanwan with his hot-bloodedness, but Hanhan's parents would not agree. Then, the one who would be hurt would only be Wanwan.

PEI Munian took a deep breath and stared coldly at Gong Lingyu with her dark eyes. I'm warning you one last time. Wanwan is my wife. Don't come and disturb her again. Otherwise, you won't just be going abroad next time.

With that, he suddenly released his hand and said to the bodyguard, "see the guest out."

Two bodyguards immediately stepped forward and held Gong Lingyu on both sides, ready to walk out.

"PEI Munian!" Gong Lingyu couldn't break free from her grip. He gritted his teeth and shouted. The fury in his eyes seemed to want to burn the man before him into ashes. you only know how to use such despicable means!

"If you have the ability, then compete with me fairly!"

PEI Munian had already turned around and was about to return to the ward. Hearing Gong Lingyu's words, he stopped in his tracks and turned around to look at Gong Lingyu.

He put his hands in his pockets and stood there lazily with an elegant posture. The corners of his lips curled up and he sneered. His voice was cold, but every word was cruel. Lingyu, I remember what I taught you before. There is no fairness in this world. There are only the strong. If you were stronger than me today and had the ability to protect Wanwan, then Wanwan would be by your side now. However, you didn't."

I did something wrong in the past and Wanwan hated me. But in the future, I can use the rest of my life to make Wanwan fall in love with me.

The man's words were firm, resolute, and full of confidence, making people speechless.

Of course, Gong Lingyu would not give up. nonsense. You're just trying to satisfy your own selfish desires. If Wanwan remembers everything, she won't forgive you.

"Then we'll wait until she remembers!"

After PEI Munian said this, she turned around and walked towards the ward.

Gong Lingyu was being dragged out by the bodyguards. He was still struggling and shouting, " Wanwan, Wanwan, Wanwan, did you hear that? Hurry up and come out, Wanwan-"

As Gong Lingyu's voice faded away, PEI Munian closed her eyes. When she opened them again, they were calm. He raised his hand and placed it on the door lock. He twisted it and slowly pushed the door open.

As the door was pushed open bit by bit, su Wanwan's slender figure was imprinted in PEI Munian's eyes. He was stunned for a moment, then his whole body couldn't help but tremble. When did she stand here in a daze?

Did she hear or see anything?
