443 Just a kiss will do (3)

When su Wanwan woke up, it was already early in the morning. The moment she opened her eyes, she saw PEI Munian's handsome face, but there was a small stubble on his chin. Just like the period after her surgery, he always stayed up all night and watched over her by the bed, as if he was worried that she would disappear once he closed his eyes.

"Wanwan, you're awake? Does your head hurt?" PEI Munian's voice was a little hoarse, and his hand touched her forehead out of habit.

Su Wanwan shook her head. it doesn't hurt.

PEI Munian's hanging heart finally settled down. He smiled and his fingers gently rubbed su Wanwan's cheek. He said softly, "Are you hungry? Do you want to get up and eat something?"

She had a sudden headache last night and had slept the entire night without eating anything.

Su Wanwan raised her hand and touched her stomach. Her stomach seemed to have sensed something and growled.

PEI Munian's smile deepened. She reached out and picked su Wanwan up from the bed. okay, then let's brush our teeth and wash our faces, and then go for breakfast.

—

Su Wanwan had been hungry for the whole night and now her appetite was wide open. PEI Munian didn't have much of an appetite at first, but when she saw how she ate, she couldn't help but eat an extra bowl of porridge.

After su Wanwan ate breakfast, she clamored to take a bath. She didn't take a bath last night and she didn't sleep well.

PEI Munian forcefully pulled her for a walk. After she had digested her food, she brought her upstairs to take a shower.

Ever since su Wanwan learned about the taboos between men and women from the caretaker, she was unwilling to let PEI Munian bathe her again. Every time, her face would turn red, as if he always forced her to take a walk. She forcefully pushed him out of the bathroom. I'll bathe myself!

In the past, PEI Munian had allowed her to wash herself, but accidents, big or small, kept happening. Moreover, she had a headache yesterday. PEI Munian was worried and did not give in this time. I'll still wash you today, hmm? "

"Don't!"

Su Wanwan's hand clenched her collar again. Her big and beautiful eyes were round, with an appearance of swearing to protect her chastity.

PEI Munian did not know if she should be angry or laugh. However, he could only try his best to persuade her. Wanwan, we're husband and wife, the closest people to each other. You don't have to be

wary of me. We've even done more intimate things before. Taking a shower is nothing. Besides, I've always helped you shower before, haven't I? "

Su Wanwan didn't know if she understood or not. Her cheeks became redder and redder, and the redness spread to her ears. She still firmly shook her head. I'll wash it myself!

PEI Munian was helpless. alright, you can do it yourself if you want to, but I have to stay here and watch you.

This was his final concession!

Su Wanwan frowned and wanted to say something, but even if PEI Munian doted on her and pampered her in many things, he would be very tough when it came to her body.

Just like the daily rehabilitation exercise, she couldn't slack off even if she wanted to.

And his expression now was exactly the same as when he had asked her to do the rehabilitation exercise.

Su Wanwan pouted. She knew that she couldn't win against him in an argument. She could only go forward and turn PEI Munian's body around so that he faced the wall!

Su Wanwan sat in the bathtub filled with hot water and sighed comfortably. Then she held the water and splashed it on herself. Her hand stroked the skin on her body. When her hand fell on her stomach, the appearance of the woman who said she was her friend yesterday unconsciously appeared in her mind.
