PEI Munian's expression was dazed for a moment, and her mind went blank. Her dark eyes were fixed on her snow-white bosom. The thin clothing could hardly cover anything. After-moment, he snapped back to his senses and looked down quickly. Then-he saw two long-slender legs. They were well-proportioned, not an inch more, but not an inch less.

PEI Munian's eyes were fixed on it for a few seconds. This time, her mind was no longer blank. Instead, she couldn't help but think of how graceful it was to have such long legs wrapped around her waist.

PEI Munian felt as if her body was on fire, burning rapidly from the depths of her body and flowing to her limbs and bones. PEI Munian's throat unconsciously tightened and her Adam's apple rolled up and down.

Su Wanwan had been looking forward to PEI Munian's reaction, but he didn't have any reaction at all. He still sat there in a daze. She couldn't help but feel depressed and a little angry.

She pouted her red lips and said without hesitation, " "Niannian, am I not pretty?"

PEI Munian was brought back to reality by su Wanwan's voice. He tried hard to retract his gaze and met su Wanwan's eyes. His voice was hoarse and stiff. beautiful.

Su Wanwan was happy again and leaned over with curved eyebrows. how beautiful is it? "

Su Wanwan's soft snow-white body was even more obvious when she bent down. PEI Munian's breathing stagnated, she quickly turned her face and looked elsewhere.

His voice was even more hoarse. very, very beautiful.

Su Wanwan's eyebrows twisted. He said she was very beautiful, but he didn't look at her. Was he coaxing her?

"Niannian, you're a liar!" Su Wanwan angrily complained, " if I'm beautiful, why don't you look at me? "

She had read in books that if a girl was beautiful, others would stare at her.

"It's not like that. Wanwan, please, please, please."

When PEI Munian was explaining, he inadvertently turned his gaze back and saw her alluring look again. He immediately put his laptop aside and stood up.

Su Wanwan was stunned.

Wanwan, I'll explain to you later, " PEI Munian said. I'm going to take a shower now.

Shower?

Su Wanwan tilted her head and thought, didn't niannian just take a bath? Why did he have to take a bath?

She hurriedly grabbed PEI Munian's arm and stopped him in his tracks. Her eyes were wide open. you're a bad person. You've already taken a shower and you still want to shower? do you think I'm not pretty and don't want to see me? "

Su Wanwan leaned over and pressed her soft body against him. Because she had just taken a bath, her body exuded a faint fragrance that went straight into PEI Munian's nose. Her plump body was also tightly pressed against his chest.

PEI Munian almost lost her balance.

Su Wan's body was still in the recovery period, so he had been restraining himself, for fear of scaring her. Moreover, every time Qianqian had some evil thoughts, she would always open her pure and innocent big eyes and look at him. She still didn't understand anything, so he couldn't let himself possess her at this time.

PEI Munian took a deep breath and spoke with extreme patience. Wanwan, let me go. Otherwise, if I can't hold it in anymore, I won't let you off.

Su Wanwan said, puzzled, " can't help what? "

PEI Munian was rendered speechless by her question and didn't know how to answer her for a moment. He was thinking about how to get out of this when su Wanwan suddenly screamed.
