

Deeply 449

449 Just a kiss will do (9)

Su Wanwan tilted her head and thought about it. The more she thought about it, the more she felt that aunt Wu was right. Because every time she had a headache or felt uncomfortable somewhere, Nian Nian would kiss her, and then she wouldn't feel so uncomfortable.

Now that niannian was not feeling well, she also wanted to kiss him and make him feel better.

Su Wanwan's dazed eyes slowly became firm. She heavily nodded and clenched her fist: Auntie Wu, I understand. I'll go and save niannian now!

Su Wanwan turned around and quickly walked upstairs.

Aunt Wu looked at su Wanwan's back as she left. She smiled and shook her head. Was it really good for her to mislead the ignorant young Madam like this? However, for the sake of her young master's sexual happiness, she would be the bad guy this time.

—

When su Wanwan returned to the room, PEI Munian just happened to walk out of the bathroom, bringing a chill with her.

He took the blame and dried his wet hair. He saw su Wanwan walk in from outside and was slightly surprised. Wanwan, where did you go? "

Su Wanwan didn't speak. She just walked towards PEI Munian step by step and stood in front of him.

PEI Munian raised her eyebrows slightly and was wondering what was wrong with her. The next second, su Wanwan raised her hand and held PEI Munian's face. Then, she tiptoed, pouted her red lips, and kissed PEI Munian on the lips.

Su Wanwan's actions were sudden and fast. PEI Munian didn't expect it and was stunned.

After su Wanwan finished kissing her lips, they separated. Then, she attacked PEI Munian's cheek and left kisses on his face without holding back.

PEI Munian was stunned for a while before finally reacting. He quickly reached out and pulled su Wanwan away, asking in confusion, "Wanwan, w-what are you doing? "

"I'm saving you!"

Su Wanwan replied matter-of-factly and continued to move closer. She pouted and kissed his lips again.

It was called a kiss, but in fact, it was just her lips touching. However, her kiss without any order still made the desire that he had suppressed with great difficulty to faintly show itself again. PEI Munian's eyes darkened and she quickly pulled su Wanwan away.

"Wanwan, wait for Wanwan."

PEI Munian took a deep breath and suppressed the urge in her heart. She swallowed her saliva and said in a hoarse voice, "What does your kiss have to do with saving me?"

Auntie Wu said that if you're not feeling well, I'll kiss you and you'll be fine. You were bleeding just now, so I want to kiss you. That way, I can save you!

Su Wanwan's treatment had been obstructed by PEI Munian. She was also anxious and afraid that PEI Munian would really die, so after throwing these words, she pounced on her again with force.

PEI Munian was still digesting her words when she suddenly pounced on him. He was caught off guard and staggered a few steps back from her push, falling on the bed behind him.

Su Wanwan sat on his body, hugged his neck, and kissed him randomly again.

There was obviously no technique and it could even be considered a pure kiss, but it still easily aroused his desire. And now, half of su Wan's body was completely stuck to his body. Through the almost negligible fabric, PEI Munian could clearly feel her soft fullness and the faint fragrance from her body. It was like a fatal poison, a hit.

The anger that he had been desperately restraining exploded in his chest. PEI Munian's consciousness was swallowed in an instant. His hand hugged su Wan's waist, turned over, and directly pressed her under him.
