Su Wanwan cried out in shock. She felt that the world was spinning and she and PEI Munian had switched positions. She was on the ground and he was on top. His strong body was on top of her.

PEI Munian's breathing was a little heavy, and her hot breath kept spraying on su Wanwan's face, making su Wanwan's cheeks hot.

PEI Munian's eyes were dark and deep, as if a storm was brewing in them. He stared at her for a few seconds and said in a hoarse voice, "Wanwan, are you really going to play with fire?"

Su Wanwan naturally didn't understand what he was talking about. She blinked her big innocent eyes and replied, "I'm not playing with fire, no fire!

"You're playing with fire like this!" PEI Munian was a little impatient and gritted her teeth. "If you keep doing this, I really can't hold it in anymore!"

After pausing for half a second, PEI Munian's thin lips parted slightly and she said in a threatening tone, "I'll eat you!

"Ah!"

Su Wanwan was so scared that her face turned pale. She covered her eyes with both hands and said in horror, "Don't eat me, don't eat me, I'm not delicious!"

The corners of PEI Munian's lips curled up, and a smile appeared in her eyes. However, her expression did not show it at all. She continued in a deep voice, "if you don't want me to eat you, then you'll have to sleep well, okay?"

PEI Munian closed her eyes and felt that her body was about to explode. He was only holding on with a trace of rationality left. If this continued, he would definitely not be able to hold back and would fry her skin, break her bones, and swallow her up.

PEI Munian let go of su Wanwan's hand and slowly propped up his body. He planned to take another cold shower in resignation. Suddenly, his neck was wrapped around by that slender arm again.

PEI Munian's movements froze.

Su Wanwan looked at PEI Munian, her eyes filled with hesitation and fear. She didn't want to be eaten, but she didn't want niannian to die even more. If niannian died, what would she do?

Su Wanwan only struggled for more than ten seconds before making a decision. She seemed to have thrown everything out and said as if she was going to die, "niannian, I don't want you to die. I want to save you. After I save you, you can eat me!

PEI Munian was completely shocked. He never thought that su Wanwan would say such words. He also didn't expect that the current him, in her heart, was actually so important!

His heart felt as if it had been soaked in warm water, and warmth spread through his entire body. His dark eyes stared at the woman under him, and his voice couldn't help but tremble. Wanwan, do you really think that way? "

Su Wanwan nodded without thinking, just like how she said she would forgive him that day. niannian, you can't die. If you die, what will I do? "

Perhaps, one day in the future, after su Wan regains her memory, she would be disdainful and regret what she said now. But for the current him, those were the most beautiful and blissful words.

In this luxurious dream, he was always on guard. He was afraid that one day, the dream would suddenly break and everything would return to the cruel reality. So, he took every step carefully and did not dare to touch the fragile boundary.

But he finally realized that instead of worrying about those things that he had yet to discover, it was better to firmly grasp the present and grasp su Wanwan's heart.

The light in PEI Munian's eyes fluctuated. His hand touched su Wan's face and he said hoarsely, " Wanwan, you didn't save me like you did. You saved Wanwan.
