PEI Munian turned her head and saw Lin Xiaoxuan in a pink tracksuit with a ponytail. She was also jogging. The early morning sun shone on her body. She smiled and exuded a youthful and energetic aura.

Lin Xiaoxuan smiled sweetly and greeted PEI Munian. Mr. PEI, Good Morning. What a coincidence, you're running here too.

PEI Munian raised his eyebrows slightly, as if he was surprised to see her here. However, in just a moment, his eyes returned to their usual distant and indifferent look as he replied indifferently, "morning."

Lin Xiaoxuan seemed to have seen through his doubts and explained, "To make it easier for me to take care of miss su, I rented a house at the foot of the mountain, so I run here every morning."

"Is that so?"

PEI Munian's voice was still calm and she did not seem to care about her. He continued to run forward.

Lin Xiaoxuan looked at PEI Munian's back and gently bit her lower lip. She knew that there were some things that she might be doing in vain, but she couldn't resist her heart. These days, she watched PEI Munian and su Wanwan get along every day. She watched this man's care and pity for su Wan. He wished he could bring the whole world to her, just to make her smile. Although the woman he was facing was not her, she was deeply attracted to him while watching from the side. It was left on him.

She actually didn't have any extravagant wishes. She just wanted to see him a few more times a day, and that was enough.

When Lin Xiaoxuan came back to her senses, PEI Munian had already run away. She couldn't help but feel a faint melancholy in her heart.

After su Wanwan regained consciousness, her eyes had yet to open, but her hand had already reached to her side out of habit. However, after touching for a while, she still didn't touch PEI Munian. She was so shocked that she immediately opened her eyes.

Su Wanwan sat up on the bed and swept her eyes around the bedroom. She still didn't see PEI Munian. Her heart skipped a beat and she hurriedly lifted the quilt and got out of bed. She didn't even put on her shoes and quickly ran out of the room and ran downstairs.

Aunt Wu was preparing breakfast when she heard the knocking sounds upstairs. She walked out of the kitchen and saw su Wanwan running down with her clothes in a mess, her hair in a mess, and her face pale. She was shocked and quickly said: young Madam, walk slower. Don't fall!

Su Wanwan ran down the stairs in two or three steps. She lost her balance and staggered. Aunt Wu was so scared that her heart beat faster and her face changed. Fortunately, su Wanwan held on to the handrail and stood firm.

Auntie Wu patted her chest and walked forward. Her voice was still filled with lingering fear. young Madam, what's the rush? " Running so fast, what if you fall?"

Su Wanwan wasn't in the mood to care about this. She grabbed aunt Wu's hand and her tone was full of fear and anxiety. aunt Wu, niannian is missing! I can't see him!"

Auntie Wu didn't know if she should be angry or laugh. She thought something was wrong.

Auntie Wu sighed and replied, " young Madam, young master didn't go missing. He just went out for a morning run. He'll be back soon!

"Morning run?"

"It's exercise, you know exercise? You'll do it every day."

Su Wanwan was still thinking about it when PEI Munian's figure appeared at the door. He had just come back from running and was sweating all over, but his whole person looked refreshed.

He was wiping his sweat with a towel when a slender figure suddenly rushed over and crashed into his arms.
