

Deeply 461

461 Making love (1)

Lin Xiaoxuan had been standing there steadily, watching the sweet interaction between PEI Munian and su Wanwan. Bitterness spread on the tip of her tongue and flowed straight into her heart. Her back couldn't help but stiffen.

After su Wanwan entered the villa, Lin Xiaoxuan took a few steps forward and called out with a sweet smile, " Mr. PEI.

PEI Munian's dark eyes glanced at her, but he did not say a word. He pushed open the car door and got out of the car. After closing the door, he strode over to her.

The evening sun shone down and formed a large Halo on his body. That tall and straight body was approaching her step by step against the light. Lin Xiaoxuan's heart was beating wildly, and even her cheeks were a little hot.

PEI Munian stopped in front of Lin Xiaoxuan. He lowered his eyes and looked down at her somewhat condescendingly. The infatuation in her eyes was obvious, and he frowned.

It wasn't that he didn't feel anything. During this period of time, Lin Xiaoxuan's gaze had always followed him, intentionally or otherwise. It was just that she had always been content with her role and didn't do anything out of line. She also did her best for Wanwan, and Wanwan was already familiar with her, so unless it was absolutely necessary, he didn't have the thought of changing her.

However, a moment of indulgence caused a ripple in his and Wanwan's peaceful life.

PEI Munian's eyes darkened. She opened her thin lips and said word by word, " miss Lin, you're fired. From tomorrow onwards, you don't have to come again.

Lin Xiaoxuan was still immersed in PEI Munian's picturesque figure. When she heard PEI Munian's words, she was stunned for a second, and her black eyes widened in disbelief. w-what? "

I'll get someone to settle your salary. Remember that you've signed a confidentiality contract for everything you see here. I hope we won't meet in court in the future.

PEI Munian's voice was neither warm nor cold, without any fluctuations, but it caused a great stir in Lin Xiaoxuan's heart.

She had never expected that PEI Munian would fire her without any warning!

When Lin Xiaoxuan came back to her senses, PEI Munian had already turned around and was walking back into the villa. She looked at his back and could not accept this sudden bad news. In the end, she could not hold back and chased after him.

Lin Xiaoxuan stood in front of PEI Munian. She bit her lower lip and mustered up her courage to look at him. Her voice trembled unconsciously. Mr. PEI, did I do something wrong? "

PEI Munian looked at her indifferently and did not say anything.

Lin Xiaoxuan was flustered by PEI Munian's stare. She lowered her head, her long hair hanging down and slightly covering her face. She swallowed her saliva and continued, " if I did something wrong, I can change. I really like this job. I hope you can give me another chance.

PEI Munian's lips curled up, but the smile did not reach her eyes. miss Lin, I don't think you need to ask me what you did wrong. I've already given you a chance, but you didn't cherish it. On account that you've taken good care of me for a few months, I'll give you an extra bonus. In the future, you'd better take care of yourself.

Lin Xiaoxuan thought that she had hidden her little thoughts very well, but unexpectedly, in front of PEI Munian, it had long been transparent.

PEI Munian allowed her to hide her thoughts and allowed her to deliberately meet him on the road, but she did not allow her to have any thoughts on su Wanwan. She was just trying out her skills, but he fired her without a word and completely cut off her thoughts.
