463 Making love (3)

In this life, he would probably never forget the words she said to him after their One Night of Love. All her chasing and all her passionate confessions were just a game of her conquering.

Even if she didn't remember anything, even if she said this now, it was just a casual sentence, and he couldn't help but feel a deep fear in his heart.

PEI Munian's hands unconsciously hugged su Wanwan tightly. Su Wan gradually felt that it was a little difficult to breathe and couldn't help but struggle. Her hands were on PEI Munian's chest and she panted slightly. niannian, I, I can't breathe!

Su Wanwan's voice entered her ears. PEI Munian suddenly returned to her senses and slowly released her hand.

Su Wanwan saw that PEI Munian's expression wasn't good and her eyes were filled with worry. She touched his face with her soft little hand and said softly, "Niannian, what's wrong?"

She paused for a moment and rolled her black eyes. ah, are you feeling guilty because I was right? "

PEI Munian suppressed the turbulent waves in her heart and squeezed out a smile. "Yeah, I can't lie to you."

Su Wanwan's eyes suddenly lit up and she straightened her back. really? Were you lying to me just now? So, you were the one who liked me first, and you were the one who pursued me first?"

After PEI Munian's mood eased a little, her black eyes stared deeply at su Wan. Her thin lips opened slightly and she said gently, " it's true that you pursued me first, but I liked you first.

From the beginning to the end, she had never liked him. He was the only one who liked her.

"I'm chasing you, but you like me first? What's the meaning of this?" Su Wanwan looked at PEI Munian in confusion. shouldn't I be pursuing you because I like you? "

A trace of sadness flashed past PEI Munian's eyes, but it disappeared in an instant. He lowered his eyes and said with a hint of ridicule, " you'll have to ask yourself this question. Perhaps you're chasing me because I'm handsome. In the end, you've successfully attracted my attention. Then, I thought that if I don't accept a crazy girl like you, no one else will want you either. So, I reluctantly accepted you.

What the hell!

Did he like her because of a lucky stroke? Moreover, he even accepted it reluctantly?

Su Wanwan clenched her hands into fists and punched PEI Munian a few times. you like me because I'm pretty. It's definitely not a lucky hit or a forced one!

"Pretty?" PEI Munian's Black eyes narrowed and she sized su Wanwan up and down. As if she couldn't find any strong evidence, she asked, " Which part of me is pretty?"

Su Wanwan was immediately unhappy and also learned from him to ask, " where Am I not beautiful? "

As she said this, she got up from PEI Munian's arms and stood in front of her. She spun around, then puffed out her chest and perked up her hips. aren't I pretty? "

"Yes, Zhenzhen."

PEI Munian pondered for a moment. As if to give her some face, she nodded lightly. she's still a little pretty. As he said that, he even used his fingers to make a small gesture.

"Only a little?"

Su Wanwan pounced on her angrily and glared at PEI Munian with her beautiful eyes. say that again!

PEI Munian smiled and kissed su Wanwan's cheek. Before she could get angry, she quickly turned to her ear. Her voice was hoarse and charming as she slowly spat out word by word.
