pei munian smiled and kissed su wanwan's cheek. before she could get angry, she quickly turned to her ear. her voice was hoarse and charming. she said slowly, " you're not pretty at all. "

His voice was deliberately dragged out, and the end of the note was upturned, like a feather brushing past one's heart, with a slight itch.

Su Wanwan's anger disappeared in PEI Munian's words. Her clenched fist was still in the air and could not fall down.

PEI Munian's smile deepened. He pulled her hand down and placed it on his lips for a kiss. His voice was gentle and there was a hint of a sigh in his voice. Wanwan, if you really can't remember the past, don't force yourself to remember it. You just have to remember the present, remember this moment, and remember that I love you very much, okay? "

Before she lost her memory, he never had the chance to tell her that he loved her. Now that he could finally say it, it turned out that it wasn't that difficult to say that.

Su Wanwan realized that PEI Munian's sweet talk was at her fingertips now. She had obviously heard a lot of it, but she didn't feel tired at all. Instead, every time she heard it, her heart would suddenly beat faster and her cheeks would blush.

Su Wanwan's lips couldn't help but rise, but she still said proudly, " you're afraid that I'll remember the past. Are you afraid that I'll find out that you're not good? "

PEI Munian fixed her gaze on su Wanwan's face. He really hoped that he could keep her smiling face at this moment forever and be happy and happy forever.

"Yes, I'm afraid that you won't want me anymore after you remember the past."

Su Wanwan didn't hear the panic in PEI Munian's voice. She thought he was joking and said jokingly, " Hmph, if you do anything bad, I won't want you anymore!

The arc of PEI Munian's lips gradually faded. He was clearly hugging su Wan in his arms. He could clearly feel the temperature of her body and feel the weight of her body, but he felt that he was holding a ball of nothingness. He wanted to hug it tightly, but there was nothing.

PEI Munian lowered his eyes. A trace of bitterness spread in his mouth, and he slowly swallowed it.

PEI Munian gently rubbed su Wanwan's head with her big palm and said hoarsely, " Wanwan, didn't you always want to go out and play? Let's go on a vacation in a few days."

Su Wanwan looked out of the window and waited for PEI Munian to allow her to go out and play. She originally thought that she would have to stay in the villa for a long time. She didn't expect PEI Munian to mention it so quickly. How could she not agree? she nodded repeatedly. Okay, okay, okay. Let's not wait for a few days. Tomorrow, not now, let's go now!

This was like wind and rain.

PEI Munian curled her fingers and knocked on su Wanwan's forehead. you have to give me time to make arrangements, so you'll have to stay at home and recuperate for the next few days. Otherwise, you'll have to stay here and recuperate.

Su Wanwan complained in a small voice, " niannian, I'm already fine, ran ran.

"What?" PEI Munian's Black eyes lazily glanced at su Wanwan.

Su Wanwan immediately raised a smile and said in a fawning manner, " "Yes, sir. I will take good care of my body and exercise!"
