Su Wanwan closed her eyes and leaned against the wall of the pool. When she felt the footsteps approaching her, she didn't open her eyes. She just curved her lips and smiled: "Niannian, you're here?"

As she spoke, she opened her arms at him. I'm a little dizzy from the bath. Carry me up.

The person in front of him seemed to be stunned for a moment, then he took a step forward, bent down, and put his hand in su Wanwan's direction.

When that arm wrapped around su Wanwan's waist, su Wanwan already noticed that something was wrong. She frowned and was about to open her eyes when that person had already used force and carried her out of the water.

Her body suddenly rose into the air. Su Wan's hand reflexively hugged that person's neck. At the same time, she quickly opened her black eyes.

The man in front of her was not her niannian, but a stranger.

Su Wanwan was shocked and blurted out, "Who are you?"

The man didn't answer and su Wanwan struggled again. put me down!

There was a difference between men and women. She couldn't be carried by another man and lie in another man's arms!

"I'm Yingying." The man wanted to open his mouth to say something, but su Wan struggled even more. quickly put me down!

The man had no choice but to put su Wanwan down first. Su Wanwan immediately took a few steps back and put on the bathrobe she hung on the shelf. After wrapping herself firmly, she looked at the man who suddenly appeared, her eyes full of vigilance, "Who are you? Why did you hug me so casually?"

Wanwan, don't misunderstand. The man took a step closer and said anxiously.

Su Wanwan's eyes widened in horror and she subconsciously took a step back. you, you, don't come over. Wait, how did ran ran know my name? You know me?"

The man stopped in his tracks and didn't move. His black eyes quietly looked at su Wan. Her strangeness and wariness were clearly visible at a glance. A trace of sorrow slowly floated in his eyes. Wanwan, you don't have to be afraid of me. It's me. Don't you remember? I won't hurt you."

He knew that there were some side effects after her surgery, but he could still hope that she would at least remember him a little.

Su Wanwan furrowed her brows and sized up the man in front of her. After making sure that she had no memory of it, she shook her head honestly. I had an operation and I don't remember anything. Who is Yueyue? "Is it someone I know?"

That's right, as long as su Wanwan could remember the past, she wouldn't stay by PEI Munian's side and be indifferent.

Gong Lingyu slowly clenched his fist. He pursed his lips and nodded gently. Wanwan, we're Wanwan. We're good friends. My name is Gong Lingyu.

Gong Lingyu?

Good friend?

"You're my friend?" A light flashed in su Wanwan's eyes. are you really my friend? "

She had always wanted to know if she had any family or friends. However, every time she wanted to ask PEI Munian these past few days, she would unconsciously be led off the topic by him. Then, because she was so happy that she was going on a vacation, she had temporarily forgotten about this question. She did not expect to meet her so-called friends here!

"Of course."

Gong Lingyu couldn't help but take another step forward. Wanwan, I've been thinking of ways to see you all this time. Are you feeling better? " Do you feel uncomfortable anywhere? Does your head still hurt?"

Although su Wanwan was unfamiliar with the man in front of her, she could feel his sincere concern and couldn't help but let down her guard.
