### 471 Making love (11)

Gong Lingyu quickly finished his sentence. Without waiting for su Wanwan to react, he ran in another direction and quickly disappeared from her sight.

“Wanwan, Wanwan, Wanwan.” PEI Munian’s voice was getting closer and closer.

Su Wanwan was stunned for a few seconds before she restrained the complicated emotions in her eyes. She tried hard to curve her lips, raised her voice, and called out, “Niannian, I’m here!”

After su Wanwan shouted a few times, she saw PEI Munian walking over from the corner in front.

The man was as handsome as ever. He looked at her with an unchanging deep love as he slowly walked over, like a stunning and beautiful painting.

Su Wanwan’s smile widened. She ran over and threw herself into PEI Munian’s arms. She wrapped her arms around his waist and rested her chin on his chest. She looked up at him. niannian, why did you take so long to come? ”

PEI Munian’s hand rubbed su Wanwan’s head out of habit and replied gently, “ I was talking about business with assistant Wu just now. I’m sorry to make you wait for so long. Have you soaked in the water? ”

Su Wan nodded her head. yes, I soaked in it for a while. This water is so comfortable that I almost fell asleep.

“Do you want to continue soaking for a while?”

“Alright!”

PEI Munian brought su Wanwan back into the hot spring pool. Su Wanwan’s spirits were not as high as before. The words of the man just now involuntarily lingered in her ears, making her seem a little absent-minded.

PEI Munian saw all of su Wanwan’s expressions. He reached out and hooked su Wanwan’s chin with his long fingers. He lifted it slightly and let her eyes meet his. PEI Munian’s voice was a little low. what’s wrong? ” What are you thinking about?”

Su Wanwan was too innocent now. Almost all her thoughts were printed on her face. The current her was obviously a bit heavier than just now.

Su Wanwan looked at PEI Munian and reflexively opened her mouth, wanting to tell him all the things that were troubling her now. During this time, she had been very dependent on him and trusted him very much. She would not hide anything from him.

However, it was a little awkward.

She couldn’t help but recall the man’s warning.

Su Wanwan didn't say anything in the end. She shook her head at PEI Munian and buried her face in his arms, as if to hide something. no, I'm a little sleepy again.

PEI Munian lowered her eyes and looked at su Wanwan's Black hair. Her black eyes narrowed slightly and a dark light flashed in the bottom of her eyes.

He stared at her for a few seconds, then reached out to hug her and smiled. "If you're tired, then we won't soak in it. Let's go back and rest."

Su Wanwan was indeed not in the mood to soak in the hot spring. She gently nodded.

PEI Munian and su Wanwan returned to the hotel room. Su Wanwan lay on the bed to sleep. Although her eyes were closed, her mind was full of all kinds of wild thoughts and she couldn't stop.

she was already curious about her past, and now that the man had mentioned it, she was even more curious. what she was most curious about was why he called niannian a bad person when niannian was so good to her.

Su Wanwan turned over and placed her hands under her cheeks. She looked at the man sitting behind the desk opposite her, looking at the computer and dealing with business. Her eyes swept over his delicate eyebrows, high nose, and sexy thin lips. She remembered the care and pampering that PEI Munian had given her during this period of time. No matter how she thought about it, her niannian would not be a bad person.

What su Wanwan didn't know was that the computer screen PEI Munian was looking at wasn't dealing with business, but was in a daze.
