### 472 Making love (12)

After PEI Munian returned to her room and waited for su Wanwan to fall asleep, she instructed the hotel staff to pull up the hotel records and the surveillance video of the security camera at the door. As expected, there was Gong Lingyu's registration information and the video of him entering the hotel.

Last time, after he was forcefully driven away by him in the hospital, he still didn't give up and kept trying to use various ways to see su Wanwan. It was just that during this time, su Wanwan stayed in the villa to recuperate. The villa's security was too high and he couldn't get close.

Hence, when he found out that he had brought Wanwan to the hot springs Hotel for a vacation, he followed them without saying a word.

Su Wanwan suddenly looked like she had a lot on her mind. It seemed that she had seen Gong Lingyu.

PEI Munian stared at the computer screen for a while and curled her lips. The light in her eyes flickered, as if she was thinking of something. Then, she turned off the computer, got up, and walked towards the bed.

Su Wanwan quickly closed her eyes.

PEI Munian sat by the bed, her black eyes falling on su Wanwan's face. Her long, curly eyelashes trembled slightly, and even her breathing was a little unnatural. She was obviously pretending to be asleep.

PEI Munian couldn't help but laugh. She did not expose her, but bent down and kissed her forehead gently. Wanwan, have a good rest. I'm going out for a while. I'll be back soon.

Su Wanwan was pretending to be asleep and naturally didn't dare to answer.

PEI Munian's large palm rubbed her head and brushed the loose strands of hair by her cheek to her ear. His fingers gently rubbed them as he stood up and slowly left the room.

Su Wanwan heard the door being gently closed and then the sound of footsteps gradually drifted away. She opened her eyes and sat up, her mind becoming more and more chaotic.

She knew that she shouldn't let her thoughts run wild, but that man's words kept echoing in her ears. The better PEI Munian treated her, the clearer his voice was. It made her feel that all the happiness she was experiencing now seemed to be a fake environment. She felt that she was standing on a cloud of fog, her feet could not touch the ground, and there was no sense of reality. She felt that she could fall at any moment.

She didn't want others to slander niannian, and she didn't want her to be troubled by that man's words and put herself in such a state of insecurity. So she decided to meet that man tonight and hear what he had to say.

About half an hour later, PEI Munian returned.

When he walked into the holiday period, su Wanwan also pretended to have just woken up. While rubbing her eyes, she got up from the bed and said in a lazy voice, " niannian, where have you been? "

"Someone I know is also here. I'll go and say hello to him."

PEI Munian walked over and sat by the bed. She kissed her forehead out of habit and said gently, " "Did you sleep enough? You're not dizzy anymore, are you?"

Su Wan nodded and then shook her head.

PEI Munian laughed. what do you mean? "

"I've slept enough and I'm not dizzy anymore. I'm just a little hungry now."

it's almost time for dinner. Let's wash up and go eat.

"Alright!"

Su Wanwan paused for a moment and only then did she notice what PEI Munian said just now. She couldn't help but say, " "Niannian, do you know someone? Who's that?"

In the past few months, she had only seen the dull-looking assistant Wu and the serious-looking uncle driver by PEI Munian's side. She had not seen anyone else.

PEI Munian did not answer her question and only said, " "If we meet tomorrow, I'll introduce you to him."
