After su Wanwan woke up, she was so lazy that she didn't want to move. The two of them didn't go to the restaurant to eat, but let someone send the food to the hotel room.

Perhaps it was because she was in the hot spring, su Wanwan felt hungry and ate a little more. She accidentally ate too much and hugged her stomach as she collapsed on the sofa, not wanting to move at all.

PEI Munian walked over to pull her up, not letting her remain paralyzed like this. let's go out for a walk.

Su Wanwan shook her head decisively. I can't walk right now. Let me rest for a while.

PEI Munian glanced at her from the corner of her eyes and refused to compromise. I'll give you two choices. You can either go out and take a walk with me now or we can pack our things and go home immediately.

Su Wanwan stood up from the sofa, her eyes full of resentment. niannian, you tyrant! exclusive, tyrannical!"

Recently, she had watched a lot of court dramas, and the emperors in them were all like this.

PEI Munian pinched su Wanwan's puffed-up cheeks and then took her hand. let's go.

The night breeze was gentle, and red lanterns were lit up in the corridor of the hotel. The antique corridor was set off by the hazy light, bringing a kind of retro beauty.

Su Wanwan's stomach full of resentment dissipated little by little after seeing such a beautiful scene.

Walking out of the corridor, the courtyard in front was also different from the day. During the day, it was full of pink, but at night, it was quiet and comfortable. The moonlight was as light as water, shining down from the sky. The sound of water flowing down from the rockery was warm and not noisy. On the contrary, it could calm one's state of mind.

She finally understood why everyone liked to have a vacation here. It was far away from the hustle and bustle of the city and returned to nature and innocence. No matter how restless one's heart was, they could have a moment of peace here.

Su Wanwan quietly watched. PEI Munian was behind her and hugged her from behind. Her chin was on her shoulder, enjoying the peace and beauty of the moment with her.

Su Wanwan smiled and let herself lean into PEI Munian's arms, relying on him with all her heart and soul.

PEI Munian looked sideways at su Wanwan's quiet and beautiful face. He was willing to exchange everything for such a peaceful happiness, no matter the price.

On the way back, su Wanwan was tired from walking. She acted coquettishly and asked PEI Munian to carry her. This time, PEI Munian didn't refuse. She walked in front of her and squatted down. come up.

Su Wanwan unceremoniously lay on his back.

PEI Munian carried her and stood up easily. However, after taking two steps, he suddenly stopped.

“What’s wrong?” Su Wanwan was surprised.

PEI Munian pursed her lips and said in a deep voice, “Wanwan, you’ve gotten heavier.”

“.....?”

Su Wanwan was stunned for two seconds before she went berserk. PEI Munian, you actually dare to call me fat!!!

“You’re not fat, you’re just heavy.” PEI Munian corrected.

Su Wanwan was so angry that she grabbed his ear and widened her eyes. is there a difference? ”

“Of course I do.”

PEI Munian replied. He turned his head and glanced at the angry woman behind him. His lips curled up and he said in a low and hoarse voice, “ because I’m carrying the whole world on my back, so it’s very heavy.

Su Wanwan was stunned. Slowly, the anger in her eyes turned into sweetness.

Midnight came. Su Wanwan lay on the bed and stared at the clock hanging on the wall. The time passed by minute by minute and 12 o’clock was about to arrive.

She had wanted to go, but now she was hesitant.

Niannian was so good to her and loved her so deeply. In fact, it was just as niannian said, as long as she remembered the present, why should she be so persistent about the past?
