474 Making do in bed (14)

From the moment she opened her eyes, the first person she saw was niannian. During this period of time, the person who accompanied her was also niannian. She could deeply feel his good treatment and feelings for her. It was not fake.

PEI Munian was the person she was closest to and trusted the most. That man, on the other hand, was just a stranger who had appeared out of nowhere. She could not remember him and knew nothing about him, so why should she listen to him? What if he deliberately said something to lie to her?

That's right, the books said that she shouldn't trust strangers so easily. She didn't remember if she knew him before, but now, he was a stranger to her, so she had to learn to be vigilant.

sleep, sleep, don't think about anything else!

Su Wanwan closed her eyes and tried hard to hypnotize herself. She tried hard to empty her mind and let herself fall asleep.

Su Wanwan turned over and placed both her hands and cheeks on PEI Munian's body, hugging him tightly. She had niannian, and that was enough!

12 o'clock arrived quietly.

Gong Lingyu stood in a gazebo at the back of the mountain. He looked at the watch on his wrist and then looked up at the entrance. He still didn't see su Wanwan's figure. The anticipation and anxiety in his eyes slowly faded and became dead silent. In the end, he was not willing to give up and was looking for an excuse for her. Maybe she was just tied down by PEI Munian and couldn't get away. Maybe she was already on her way, maybe she would come soon.

There were so many possibilities, but as time passed, they shattered bit by bit.

Gong Lingyu dejectedly sat on the long bench in the pavilion.

He could not help but recall what PEI Munian had said to him in the afternoon. He had said, "she won't come.

He said it so confidently and proudly!

Gong Lingyu's hand suddenly clenched into a fist and he slammed it hard on the stone table!

Wanwan shouldn't be like this. She shouldn't have been bewitched by PEI Munian's gentleness. She had already suffered once in the past. He would never forget how much pain Wanwan was in back then. How heart-wrenching it was. He had seen all her pain and could feel how much she was in pain. If he gave up so easily, Wanwan would continue to be deceived by PEI Munian.

He once let go of su Wan's hand easily, which led to her and PEI Munian being entangled together. He experienced that kind of pain. This time, he must not give up like this again!

he must let su wanwan see pei munian's true colors and leave him completely.

The Hot Spring Hotel would hold some festive activities every day during the cherry blossom season, and most of the people who came here for a vacation were couples or fiancées-to-be, so the activities were actively targeted at this group of people.

There was a legend here that a Demon King had taken a fancy to a beautiful girl in this place. On the day of her wedding, he disrupted the wedding and snatched the bride away, wanting to take her for himself. In order to save the bride, the groom challenged the Demon King alone and finally defeated him, saving the bride. From then on, they lived happily ever after.

Therefore, the Hot Spring Hotel held a bride kidnapping event by the Demon King. Whoever could defeat the Demon King, the couple or husband and wife would live a long time and be happy forever.

After su Wanwan heard about this event, her eyes instantly lit up. She excitedly said to PEI Munian, "Niannian, let's go and participate in this event!"

After a pause, she continued, "let the Demon King capture you. I will defeat the Demon King and save you!"
