Gong Lingyu didn't expect su Wanwan to be so ruthless. He lay on the ground for a while before he recovered. He looked up at her and said with difficulty, "Wanwan, I'm Wanwan."

"What about me? You said bad things about my niannian and even hit him, you're the bad guy!"

Gong Lingyu frowned and suddenly realized that he had fallen into a trap. He gritted his teeth and forced himself to get up. He grabbed su Wanwan's arm and explained anxiously, "Wanwan, PEI Munian did it on purpose. He was beaten up on purpose to take a break."

"Are you done? You said that niannian is lying to me, but I think you're the one who's lying through your teeth!" Su Wanwan interrupted Gong Lingyu's words without hesitation, her eyes full of depression and resentment.

So many people had seen him hit PEI Munian so fiercely, and PEI Munian couldn't Dodge in time, but he said that niannian did it on purpose?

Could he do this on purpose? He wasn't a fool!

Although she didn't go last night, she was still in a dilemma the entire night. However, this dilemma had come to an abrupt end now. She shook off Gong Lingyu's hand with all her might and said hatefully, "Let me tell you, no matter what you say, I won't believe it. Don't let me see you again, or I'll beat you every time I see you!"

Su Wanwan raised her fist at Gong Lingyu and then stepped hard on Gong Lingyu's foot. He felt pain and couldn't help but take a step back.

Su Wanwan quickly ran back to PEI Munian's side and reached out to help him. Her eyes were full of heartache. niannian, are you okay? "

Su Wanwan looked at the small bruise on PEI Munian's cheekbone. Tears were welling up in her eyes. She reached out and touched it. Her voice was almost crying. does it hurt? "

"I'm not in pain, don't cry."

PEI Munian replied gently, "if you cry, my heart will hurt."

Su Wanwan sniffed deeply and immediately held back her tears. I won't cry! Niannian, don't be sad."

PEI Munian smiled. There was some gratification in her eyes, but there was also a deep sense of apology hidden in them.

"Niannian, let's go back."

Su Wanwan placed one of PEI Munian's hands on her shoulder. She supported him and carefully walked down the stage.

PEI Munian turned back and glanced at Gong Lingyu, who was still standing there in a daze. A complicated light flashed in his eyes and he curled his lips. Although he was the winner, his heart was still heavy.

It wasn't because of Gong Lingyu, but because of Wanwan. In the end, he made use of su Wanwan's trust and reliance.

Gong Lingyu urged him to enter the trap, but he did not see through it and stepped into his trap just like that. He could only be defeated, and he could not blame anyone.

PEI Munian's last glance made Gong Lingyu completely wake up. It turned out that PEI Munian did not only set a trap for this competition, but from the moment he brought su Wanwan out for a vacation, he had already set a trap.

He knew that he had not given up. As long as he found an opportunity, he would definitely find su Wan, tell her everything in the past, and awaken her memory, so he might as well beat her at her own game, let him see su Wan, and then let su Wan completely distrust him.

In this case, there was nothing he could say to help.

This move of his was too ruthless.

He couldn't play with her, so how could Wanwan possibly play with him?

On the way back, su Wanwan couldn't help but scold Gong Lingyu a few more times because her heart ached for her. PEI Munian heard this and suddenly stopped in her tracks. She called out to her, "Wanwan.
