480 Making love (20)

PEI Munian stared at su Wanwan, wanting to say something but stopping.

He was actually a very decisive person. He didn't want to let go of su Wan, so he isolated su Wan and selfishly shrouded her in his own world, letting her life only have him.

He could even let her live like this for the rest of her life.

But the more he urged su Wanwan to trust him, the heavier the guilt in his heart.

He didn't want to betray su Wanwan's trust, but once he spoke of the past, he wasn't sure if su Wanwan could forgive him. He wasn't sure if su Wan would continue to stay by his side. The most important thing was that she knew of the past and thought of the child who passed away. She would only fall into pain again.

It was better to live happily and ignorantly for the rest of her life.

In the end, PEI Munian still swallowed her unfinished words back. He raised his hand and slowly placed it on su Wanwan's head. He gently rubbed it and said softly, "I had some misunderstandings with Gong Lingyu in the past."

"Ah?" Su Wanwan thought that she would be able to hear more details, but she didn't expect it to be this. She couldn't help but feel a little disappointed. so it has nothing to do with me?"

PEI Munian looked at su Wanwan's unconcealed disappointment and found it a little funny. Her voice revealed a trace of ridicule. what's wrong? Are you still looking forward to the drama of two people fighting for a girl?"

"What!"

Su Wanwan glared at PEI Munian reproachfully and cupped her cheeks with her hands. I'm so beautiful, I'm worth you fighting for ~"

"No one else can fight for you, because you are mine."

PEI Munian leaned close to su Wanwan's ear and announced domineeringly. His hand also wrapped around su Wanwan's waist. His hot breath blew into her ear and his thin lips opened slightly. don't you think so? "

Su Wanwan's cheeks quickly turned red, her eyes flickered, and finally she nodded shyly.

The two of them held hands and returned to their room, only to find that their room had changed greatly.

Red silk was hung high, and red candles were placed on the table. The candlelight flickered, and even the quilt was replaced with a Red Wedding quilt with two mandarin ducks embroidered on it.

After su Wanwan entered the door, she looked around in surprise. what's going on? "

PEI Munian followed behind her and was slightly surprised as well. He saw a red card on the table. He picked it up and immediately understood. this is the reward for challenging the devil King.

“No way? Didn’t we lose?”

we lost, but we’re the ones with a lover. Even the devil King can’t break us apart.

These words made sense. Su Wanwan nodded heavily and then cheered, ” so this is our wedding night?
”

Wedding night huh?

PEI Munian muttered these words, her heart suddenly stirred by something.

Su Wanwan’s excited voice rang in his ear again. there’s still wine here. Niannian, come over quickly, let’s drink cross-cupped wine!

PEI Munian listened to su Wanwan’s words, walked over, and sat down at the table.

Su Wanwan poured two glasses of wine. She handed one glass to PEI Munian and held the other glass herself. I know how to drink cross-cupped wine. You have to do it like this!

She wrapped her hand around PEI Munian’s arm, raised her head, and downed the drink in one go.

PEI Munian smiled and also finished the wine in her hand in one gulp. After putting down the glass, PEI Munian got up, bent over, and directly carried su Wanwan in her arms.

He put su Wanwan on the soft big bed, his tall body slowly pressed down, his thin lips close to su Wanwan’s ear, low and deep-” Wanwan, let’s have a child.
