Since su Wanwan woke up from her surgery, PEI Munian had not left her side for more than twelve hours. She couldn't wait to be by her side all the time, but this matter was more important and because PEI Munian's father would be going with her, PEI Munian couldn't turn it down. She could only separate from su Wanwan for the time being.

PEI Munian instructed aunt Wu one by one to keep an eye on su Wanwan and not let her go out during this period of time. She also forbade anyone from approaching her or disturbing her.

Auntie Wu noted it down and nodded. young master, don't worry. I'll take good care of young Madam.

PEI Munian went upstairs and walked into the bedroom. Su Wanwan was sitting on the bed gloomily. The vacation she agreed on was gone just like that. She still wouldn't be able to see niannian for a week. No matter how she thought about it, she was depressed.

When she saw PEI Munian walking over, she straightened her body and wrapped her arms around his neck. She looked up at him and said in a muffled voice, " niannian, can't you take me with you? I don't want to be separated from you for so long!"

If it was possible, PEI Munian naturally didn't want to be separated from su Wanwan. Her condition was still unstable and accidents could happen at any time. He was worried that she wouldn't be able to take care of herself during this one week of his business trip.

This time, if father PEI wasn't here, he could bring su Wan along. It was just that su Wan's current situation was not suitable to appear in front of father PEI. He had yet to have the opportunity to tell his family about his and su Wanwan's current situation.

PEI Munian wrapped her arms around su Wanwan's waist and kissed her on the lips. She comforted her gently, " Wanwan, Didn't I tell you? I have to work hard so that I can earn money to buy your stuff. I'll only be gone for a week. If you don't mind, I'll try to come back as early as possible, okay?"

Su Wanwan knew that because of her health, PEI Munian had already spent a lot of time accompanying her and delayed a lot of work. A man's career was very important. She couldn't be willful and had to be a virtuous wife.

Although su Wanwan was unwilling, she still nodded lightly. then you must come back early!

"Alright," he said.

PEI Munian laughed. you should have learned how to video call, right? If you miss me, you can video call me. That way, you can see me, okay?"

"Hmph, I don't miss you!" Su Wanwan proudly turned her face away.

The smile in PEI Munian's eyes deepened. you can call me when you don't want to.

".....?"

"Alright, don't be angry. Wait for me to come back. I'll bring you a gift."

Su Wanwan's eyes brightened, but she still held it. I won't be easily bribed by gifts!

"Then should we bring two sets?"

"I'm not that kind of person!"

"Ten?"

"I, Yingluo, will never succumb to money!"

PEI Munian looked at the light in her eyes and lazily threw out another sentence. whatever you want, I'm fine with it.

The little tsundere in su Wanwan's heart suddenly collapsed. Her small hand pinched PEI Munian's shoulder and said with a smile, "niannian, I will definitely miss you every day and video call you every day. One in the morning, one in the afternoon, and one in the evening!"

PEI Munian could not help but shake her head and laugh at the speed at which his expression changed.

After PEI Munian went on a business trip, the whole villa seemed to have suddenly quieted down. Su Wanwan was bored every day. In the past, the care worker Lin Xiaoxuan came to accompany her every day, but she didn't know why she resigned and quit. Now, she could only look at aunt Wu.

Su Wanwan thought that she would be bored like this for a week, but on the third day, she received a call.
