494 What's your relationship?(4)

When Xi Zhiwei heard this, there was a flash of panic on her face as if she had been exposed. However, she quickly acted as if nothing had happened. She smiled and entered the venue with the protection of her manager and security.

Because there were many cars at the shopping mall, the road was a bit blocked and the car drove very slowly, so su Wanwan stared at the big screen in the shopping mall and watched Xi Zhiwei's interview from beginning to end.

Even after Xi Zhiwei disappeared from the camera and the other celebrities entered, she still did not look away. Her mind was a mess.

If she had not met Xi Zhiwei in the villa, she would not have linked the young master PEI that the reporter had mentioned to PEI Munian. However, now, she could not help but wonder if the young master PEI that the reporter had mentioned could be PEI Munian.

After all, in L city, PEI Munian was the only one who could be called young master PEI.

When su Wanwan retracted her gaze, she saw that the driver in front was also bored because of the traffic jam and was looking at the big screen in the mall. He must have seen Xi Zhiwei's interview just now.

Su Wanwan pretended to be chatting and opened her mouth, "master, did you see that female celebrity just now? She's so pretty, it'd be a pity if she didn't work hard to become famous."

"You mean Xi Zhiwei? What's there to pity about not acting? Female celebrities like them don't really want to work in the entertainment industry. It's just an extra platform for them to befriend rich people and marry into rich families. This Xi Zhiwei has already hooked up with young master PEI of the PEI family corporation. As long as she marries into the PEI family, she doesn't have to do anything for the rest of her life and she won't have to worry about food and clothing. Why does she have to work so hard?"

If su Wanwan was still holding on to a trace of hope just now, then the driver's words completely shattered her hope.

Who else could the PEI family corporation's young master PEI be other than PEI Munian?

"This Yingluo, this Xi Zhiwei, how could they be together with young master PEI? Isn't ... Isn't young master PEI married?"

Su Wanwan's words suddenly pulled the driver's gaze back from the screen. He turned around and glanced at su Wanwan, looking at her as if he was looking at an alien. miss, where did you get this unreliable news from? Young master PEI is single and unmarried. He's a standard golden Bachelor. How can he be married?"

After a short pause, the driver smiled. but it won't be long. After Xi Zhiwei and young master PEI's relationship was exposed, Xi Zhiwei stopped working. Maybe she's preparing for the wedding.

Single and unmarried?

Golden Bachelor?

If PEI Munian was not married, what was she? If PEI Munian and Xi Zhiwei were a couple, what would she be? If PEI Munian and Xi Zhiwei were to get married, what was she?

It was as if her heart had been hit hard by a heavy hammer. Su Wanwan opened her mouth, but she couldn't make a sound. Her hands clenched tightly, took a deep breath, and she squeezed out a sentence, "is young master PEI Yingluo really not married?"

of course he's not married. For someone like him, if he were to get married, it would definitely be the wedding of the century. The whole country would know about it.

The light in su Wanwan's eyes, in the driver's words, dimmed a little until it was extinguished.

She was clearly PEI Munian's wife, so why did no one know about it? PEI Munian was already married, so why was she still a golden Bachelor to the public?

Su Wanwan suddenly remembered what her grandfather said to her just now.
