Su Wanwan didn't understand her grandfather's words just now, but now she understood. The person her grandfather was referring to should be Xi Zhiwei.

so, xi zhiwei and pei munian were really together? The child in Xi Zhiwei's stomach ...

Su Wanwan's back suddenly straightened, and her whole body was filled with extreme coldness. Every time she thought of the word "child," her heart would be particularly uncomfortable. Was it because of this reason?

Su Wanwan's hand unconsciously covered her heart, and her face also became ugly.

The driver saw su Wanwan's appearance from the rearview mirror and she was going to the hospital. He couldn't help but worry, "Miss, are you alright? Hang in there, we'll be at the hospital soon."

Su Wanwan leaned against the back of the chair and shook her head lightly. I'm fine. Master, don't worry.

After a short pause, she asked in a low voice, "Sir, when did PEI Munian and Xi Zhiwei's relationship get exposed?"

The chauffeur did not expect her to be so nosy. She was already feeling unwell, yet she still wanted to ask. Thinking that she was so anxious about young master PEI's matter, she was probably another woman who wanted to marry PEI Munian.

Unfortunately, she was already taken.

a few months ago. I can't remember the details. If you're interested, you can search online.

After su Wanwan returned to the ward, the first thing she did was to take out her phone. She opened the web page on her phone, entered the names of Xi Zhiwei and PEI Munian, and clicked on the search engine.

Thousands of articles about them appeared on the web page. The first article was about their relationship and it was very eye-catching.

Su Wan went in later. She looked at the pictures, the video, and then looked at those words.

Her eyes gradually turned red, and her hand holding the phone couldn't stop trembling.

After a long time, her stiff fingers moved slightly. She slowly entered her and PEI Munian's names in the search bar and clicked on it with trembling fingers.

There was no news of her and PEI Munian being lovers or husband and wife on the web page. The only thing that could be considered a connection was that PEI Munian had once announced that the PEI family group was going to acquire the SU family corporation.

Su Wanwan didn't cry when she saw the news about PEI Munian and Xi Zhiwei's relationship. When she saw this, a tear flowed out of her eye and hit the screen.

Everyone knew about his relationship with Xi Zhiwei, but no one knew that she was married to PEI Munian.

Was she really married to PEI Munian?

The door of the ward was suddenly gently pushed open and aunt Wu came in with a Luggage Bag. She thought su Wanwan was sleeping, but she didn't expect her to be staring at her phone in a daze.

She put down her luggage and walked over. She couldn't help but say, " "Young Madam, why are you up? Don't you have a headache?"

Aunt Wu walked closer and found that su Wanwan was not right. Her expression was dull, her eyes were red, and the corners of her eyes were stained with a touch of moisture. She seemed to be crying!

"Young Madam, what's wrong with you?" Wu Ju was shocked and quickly asked. Why are you crying? Did his head hurt too much? I'll go get the doctor for you!"

Aunt Wu turned around and was about to leave when su Wanwan grabbed her wrist. Her voice was hoarse and she couldn't help but cry, " aunt Wu, when did niannian and I get married? "

"What?"

The sudden question stunned Wu Ju, and he didn't know how to react.
