Su Wanwan looked at aunt Wu and repeated her question clearly, word by word, "when did niannian and I get married?"

"Ah," he said. Auntie Wu was surprised. young Madam, why are you suddenly asking about this?"

"Answer me,"

Aunt Wu looked at su Wanwan's expression and was secretly shocked. She was afraid that su Wanwan would be agitated. Naturally, she quickly recalled the time when PEI Munian and su Wanwan got married.

It was just that it had been a long time, and there was no news of their marriage at that time, so Auntie Wu really couldn't remember when they got married.

Aunt Wu's hesitant appearance made su Wan's heart feel like dead ashes. Maybe she was right. She and Nian Nian weren't married at all, so no one knew about their matter.

In that case, she was PEI Munian's mistress?

Aunt Wu didn't know su Wanwan's thoughts. She thought about it and couldn't be sure when it was. She could only say apologetically, "I'm sorry, young Madam. I'm old and my memory isn't good. I really can't remember when you and young master got married.

Before aunt Wu could finish her words, su Wanwan had already opened her mouth hoarsely, "it's not that I don't remember, but there was no such thing at all, so I don't know when it happened.

There was no such thing?

Auntie Wu glared at her and shook her head. young Madam, why would you think that? you and young master are indeed married.

"I'm married to niannian, but why doesn't anyone know about it?"

"This Yingluo." Auntie Wu couldn't help but gulp, her back breaking out in cold sweat. this is because of Hanhan, because of Hanhan. Young Madam, you and young master didn't actually have a wedding, so not many people know about it. But you two really got married, and you registered it. Hanhan has a marriage certificate, which can prove that you two are married. Yes, you should have a marriage certificate!

As Auntie Wu spoke, she felt inexplicably guilty. Although she said that, she had never seen the young master and young Madam's marriage certificate. If she hadn't, Wanwan really didn't know how to clean up the mess.

"A marriage certificate?"

Su Wanwan muttered and suddenly remembered that when Lin Xiaoxuan read stories to her before, the male and female protagonists got married at the Civil Affairs Bureau. If she and Nian Nian got married, there would indeed be a marriage certificate.

Su Wanwan couldn't sit still. She jumped up from the bed and directly walked towards the door.

Auntie Wu was shocked and quickly reached out to hold her back. young Madam, what are you doing? "

I want to go home. I want to find our marriage certificate!

She had to know if she was married to niannian or if she was just a nameless mistress!

young Madam Wanwan, you're still having a headache, so don't rush around. If there's anything you want to know, you can call young master and ask him directly.

Su Wanwan's footsteps suddenly stopped. She looked back at aunt Wu, her eyes full of sadness. I don't want to ask him. I want to find it myself!

She trusted niannian, but she felt that niannian had a lot of things that she didn't tell her. She was even hiding some things from her like her grandfather, so she had to find the truth on her own now.

Su Wanwan shook off aunt Wu's hand and continued to walk forward. But after taking two steps, she suddenly stopped. In a deep voice, she warned, " aunt Wu, you're not allowed to tell niannian about what happened today! Otherwise, I'll ..."
