504 What is your relationship (14)

PEI Munian didn't understand why Su Wanwan would mention Xi Zhiwei out of the blue. He frowned and suddenly remembered that when aunt Wu was on the phone with him just now, she mentioned that su Wanwan seemed to have been provoked and asked about marriage.

Could it be that

"Wanwan, Xi Zhiwei went to look for you again?"

Again? Su Wanwan was keenly aware of this word. Did Xi Zhiwei really have a relationship with PEI Munian?

Su Wanwan's eyes widened and she glared at PEI Munian with hatred. She gritted her teeth and said, "you're so worried that Xi Zhiwei will come to me because the rumors between you and her are true, right? You're with Xi Zhiwei and you're planning to get married? And her child Yingluo is also yours? So, did we get a divorce because you had an affair, Hanhan?"

Su Wanwan looked at the time when PEI Munian and Xi Zhiwei's relationship was exposed. It was later than the registration time on the marriage certificate. In other words, he was with Xi Zhiwei during their marriage.

PEI Munian had once hoped that su Wanwan would come and question him about these questions, but she didn't expect that she would ask him these questions in this kind of situation.

If su Wanwan was only angry because she knew about these things and not because she remembered something, PEI Munian's tense nerves relaxed a little.

PEI Munian raised her hand and held su Wanwan's shoulder. Her dark eyes stared at her without avoiding her gaze. She looked straight at her and said clearly, "Wanwan, those are not true. I'm not with Xi Zhiwei, I'm not getting married, and I don't have children! You're my wife, and you're the only one I have."

Be it mentally or physically, he had never betrayed her.

"If it's not true, then why is everyone saying that? The news about you guys is all over the place and everyone knows about it. As for our marriage, no one knows about it. What is your relationship with Xi Zhiwei?"

Although su Wanwan's angry look was somewhat inappropriate, PEI Munian felt a sense of comfort. In this lifetime, he could finally see su Wanwan jealous over him.

The corners of PEI Munian's lips curled up. Wanwan, there's nothing between Xi Zhiwei and me. We have nothing to do with each other. All those scandals ...

PEI Munian paused and hesitated.

He had always felt guilty about Xi Zhiwei being humiliated because of him. This was the matter that Xi Zhiwei was most unwilling to face or mention. Su Wanwan's heart was still muddled. If he told her, she

might not be able to understand. He was also afraid that she would not know the severity of the matter and simply say it out loud. He didn't want to owe Xi Zhiwei more because he didn't have the mood to deal with her anymore.

PEI Munian composed herself and continued, "Wanwan, rumors are just groundless accusations. I will handle this matter. Believe me, there is no Xi Zhiwei between us. Not in the past, not now, and not in the future.

Su Wanwan had been staring at PEI Munian, trying to find a trace of lying on his face, but she didn't find anything.

But for some reason, su Wanwan still felt a vague sense of uneasiness in her heart. She kept feeling that this Xi Zhiwei was not as insignificant as PEI Munian said.

"Everything that happened to Xi Zhiwei, did it really have nothing to do with you?"

"No, I didn't!"

PEI Munian didn't wait for su Wanwan to continue asking questions. He took a step forward and the two of them got closer. Wanwan, I will prove to you that the only person related to me is you.
