506 Announcing their marriage to the world (2)

Su Wanwan was confused by PEI Munian's low, hoarse, and sweet voice. There was a hint of infatuation in her eyes. She naturally missed him, but she didn't like that kind of thing very much. Because she felt uncomfortable, she also doted on Hanhan.

Su Wanwan blinked her big eyes and answered honestly, "I miss you.

However, in the next second, her eyes looked down at a certain part of PEI Munian's lower body and she pouted in disgust. but I don't miss it.

As su Wanwan spoke, it was as if that thing had struck her. She even reached out and tried to push it away.

PEI Munian coughed and almost choked on her own saliva.

Su Wanwan obviously learned everything very quickly, but in this aspect, he didn't know if she deliberately avoided it, but she always said some unexpected words or did some actions that made him not know whether to laugh or cry.

PEI Munian grabbed su Wan's hand and pressed it to a certain part of her body that was ready to move. Her thin lips moved to her ear and her breath became hotter. Wanwan, I miss you. It misses you even more, Huahua.

Following PEI Munian's words, su Wan's ears were suddenly dyed red, almost spreading to her white neck. Her hand seemed to be burned and she struggled to let go.

"I, I, I don't want it to miss me, Yingluo."

She still remembered how much pain he had caused her before!

PEI Munian suddenly let out a muffled groan. Wanwan, don't move. You injured it last time, and it hasn't even recovered yet, and you're here to hurt it again?"

Su Wanwan was so scared that she didn't dare to move. Her pair of beautiful eyes opened wide and she said innocently: "I didn't, I, I didn't do anything this time!"

That night, she had asked her online friends and knew that this thing could not be touched or hit casually, or the man would be in pain. So at that time, she gave up the decision to tear this thing into pieces and kept a distance from it.

"You just poked it, and it's already hurting." PEI Munian complained on behalf of her brother.

"Ah?" Su Wanwan's eyes glanced at a certain place again and said with some grievances: "Is it that fragile?"

PEI Munian held back her laughter and nodded. yes, you hurt it. Do you want to compensate it? "

Su Wanwan's Black eyes turned left and right, her pearly white teeth bit her lower lip, hesitated for a while, and finally went all out. okay, I'll take responsibility for what I did. I'll compensate you!

Su Wanwan closed her eyes and looked at death as if she was returning: "Use it to poke me, I won't fight back! But Yingluo, remember to be gentler, Yingluo, don't hit the face, Yingluo."

PEI Munian couldn't help but burst out laughing.

Why was his Wanwan so cute? Why was he so annoying? He could not bear to bully her anymore.

Su Wanwan was tensing up and waiting for the pain to come when PEI Munian's laughter rang in her ears. She opened her eyes in confusion and saw PEI Munian laughing so happily. She pouted her lips in dissatisfaction. niannian, you're actually so happy? "

She was only willing to sacrifice herself for him!

The smile on PEI Munian's lips deepened, but the affection in his eyes also became more intense. He pressed his forehead against su Wan's forehead and his low voice rang out, as if it could tug at people's heartstrings. Wanwan, believe me, it won't let you feel pain again.

Su Wanwan half-believed and half-doubted, " really? "
