PEI Munian kissed su Wanwan's big, bright eyes and continued to coax her. of course, as long as you treat it well, it will also treat you well.

A light flashed in su Wanwan's eyes and she asked shamelessly, " then how should I treat it well? "

PEI Munian kissed su Wanwan's Red lips again and said hoarsely, " just like what I did to you. Touch it, kiss it, and it won't make you feel pain. Instead, it will make you feel very comfortable.

Su Wanwan immediately understood. in other words, if I treat it well, it will treat me well. If I treat it badly, it will also treat me badly? "

PEI Munian's eyes flickered and she tried to hold back her laughter. yes, that's what I meant.

"I understand!"

Su Wanwan nodded her head heavily. Then, she turned over and pushed PEI Munian down. She pressed herself on top of him and carefully reached out to touch that thing. I'm sorry. I didn't know before. I'm officially apologizing to you now. We'll still be good friends even if we shake hands. I'll definitely treat you well in the future!

She patted it twice as if to comfort it. Then, she saw that thing grow bigger and bigger. Through the thin fabric, she could vaguely see the shape.

Su Wanwan's eyes quickly widened and she retracted her hand. She said in shock: "Niannian, didn't you say it would be good to me? Why did it transform again? Do you want to fight me?"

".....?"

PEI Munian really wanted to know what su Wanwan's mind was thinking. Why did she think of fighting out of nowhere?

"Wanwan, what transformation? What fight? What's the relationship?"

"Didn't Ultraman transform before he fought monsters? Oh, and so is the beautiful female warrior!"

".....?"

PEI Munian looked at su Wanwan's serious and innocent face. For-moment-she didn't know if she should be angry or laugh. Did she know how attractive her ignorant look was-she wanted to turn into a Big Bad Wolf and eat her up-bite by bite.

The dark light in PEI Munian's eyes was faint-The heat that was boiling all over his body rushed straight to-certain part of his body and gradually became as hard as iron. He couldn't help but grab su Wanwan's slender waist and pressed her under his body.

PEI Munian's eyes were tainted with a touch of evilness as the corners of her lips curled up. Wanwan, it doesn't want to fight with you. It just feels that you like it. It wants to dote on you, love you, and want to be close to Hanhan.

“Close range?” Su Wanwan blinked. how close? ”

“You’ll know soon enough!”

PEI Munian kissed su Wanwan’s lips and his big palm slid into her clothes. He was no longer in a hurry, but he attacked gently and slowly, attacking her body little by little and reaching her heart.

His gentle attack quickly made su Wanwan let down her guard and her body softened.

Her clothes gradually fell off and PEI Munian’s kisses went down, like a flame blooming on her body. Su Wan’s eyes began to blur. Her hand unconsciously pressed on PEI Munian’s shoulder, not knowing whether to push him away or to hold him tightly.

PEI Munian chuckled and returned his lips to hers. He kissed her gently, then said, ” Wanwan, didn’t you want to know how close we were? Watch Yingluo.”

As soon as he finished speaking, his body sank, and the two of them were tightly pressed together, becoming one.
