When PEI Munian barged into her body, su Wanwan still felt a trace of pain. Her body unconsciously tensed up and her hand grabbed PEI Munian's shoulder tightly.

"Niannian, you're lying to me again!" Su Wanwan glared at PEI Munian with red eyes and said angrily, "get out!"

it was still painful, but he lied to her that it would be comfortable.

PEI Munian gently kissed su Wanwan's eyes and kissed away a tear that flowed out from the corner of her eye. His voice was hoarse but mesmerizing. Wanwan, I won't move. Relax your body. Relax and it won't hurt anymore, Hanhan.

"You lie to me every time."

"I'm not lying to you this time." As PEI Munian spoke, she continued to stroke him gently. be good, relax.

"What if you lie to me again?" Su Wanwan would not believe him easily again.

PEI Munian laughed. you can do whatever you want. Even if you want to hit the culprit, you can!

"Really?"

"It's true."

Su Wanwan took a deep breath doubtfully and tried to relax her body. PEI Munian restrained herself and still didn't move. However, the light in her eyes grew darker and a thin layer of sweat seeped out of her forehead.

"Does it not hurt?"

His hot breath once again sprinkled on su Wanwan's ear, with a trace of itchiness. She didn't know if she was seduced by him or what, but su Wanwan seemed to really feel that it didn't hurt anymore. Instead, there was another kind of inexplicable feeling.

She was a little impatient, a little flustered, and a little tempted to ask for more, but she didn't know what she wanted.

Su Wanwan shook her head helplessly. I don't know. It feels so strange, Yingluo.

"What's strange?"

As soon as PEI Munian spoke, her thin lips seemed to touch her ear. Su Wanwan's body suddenly became sensitive and she couldn't help but tremble. She continued to shake her head. I don't know, Wanwan.

Her voice was exceptionally coquettish, and there was even a hint of hoarseness in her sobbing tone. It instantly scratched PEI Munian's heart.

The flame in PEI Munian's eyes suddenly turned into a raging fire, as if it was going to burn the woman under her to ashes.

Su Wanwan's hand involuntarily hugged PEI Munian. The strange emptiness in her body lingered around her and she twisted unconsciously. niannian, I'm so uncomfortable. What about Yueyue? "

PEI Munian's patience was already on the verge of collapse. Su Wanwan's twisting was like the last straw that broke the camel's back. PEI Munian's eyes turned dark in an instant and all the heat turned to her body.

Wanwan, hug me tightly.

PEI Munian instructed su Wanwan in her ear. Su Wanwan reflexively hugged him. PEI Munian's big palm grabbed su Wanwan's waist and began the most wonderful and primitive rhythm, leading her step by step to the most pleasant heaven.

The woman's soft moans and the man's low groans emitted the most lewd song in this silent dark night. The moon in the night sky seemed to have disappeared behind the clouds, blushing and wailing.

Su Wanwan was dizzy. She didn't know how long she had slept. Although her body was tired, the corners of her lips unconsciously rose and outlined a shallow smile.

In a daze, she felt herself leaving that warm embrace. Her eyelashes moved, but she could not wake up.

When she regained consciousness, it was already the afternoon of the next day. The bright sun shone in. She raised her hand to block it and then looked to the side.
