### 515 Nightmare (1)

Su Wanwan raised her eyes to look at PEI Munian and nodded gently. She thought of the angry roar on the phone just now and pursed her lips. She couldn't hold back her curiosity and asked, "niannian, who were you on the phone with just now?"

"A business partner."

PEI Munian's expression was indifferent, and even her voice was calm. Su Wanwan couldn't tell what was wrong. However, su Wanwan wasn't stupid. If they were business partners, why would they yell at PEI Munian?

Su Wanwan opened her mouth and wanted to continue asking, but PEI Munian raised her hand to look at her watch and said, "President Gu and his wife have asked us to have Dinner at eight o'clock in the evening. It's almost time. Pack up and we'll be leaving."

PEI Munian walked to the bed. On it was the dress he had ordered the servants to prepare. He picked it up and handed it to su Wanwan. go and change your clothes. Don't let me wait.

Su Wanwan could only swallow the words that were on the tip of her tongue. It was indeed not good to be late. She took the clothes and nodded. okay, then I'll go change.

PEI Munian's lips curved. When su Wanwan reached out to take the clothes, he didn't let go immediately. Instead, his handsome face leaned toward her and his flirtatious voice rang in her ear. do you need me to help you change?"

Su Wanwan blushed and glared at him reproachfully. I don't want you to change!

She snatched the dress from PEI Munian's hands, turned around quickly, and ran to the bathroom.

PEI Munian looked at su Wanwan's back as she ran away. The corners of her lips were still curved, but the smile in her eyes disappeared little by little, leaving only a gloomy look.

Su Wanwan originally wanted to interrogate PEI Munian after dinner, but she and Gu Ningyi's wife, Dong Xinyan, felt like old friends at first sight. The two of them chatted happily, and when Gu Ningyi and PEI Munian talked about their business, they secretly drank a little. After a few glasses, her head was dizzy and she naturally forgot everything. When she woke up the next day, she was already on the plane back to China.

The Hangover was very uncomfortable. During the ten-hour flight, su Wanwan's head hurt. Other than being forced to wake up by PEI Munian to eat something during mealtime, she slept in his arms the rest of the time. When the plane landed, she finally recovered some energy, but her expression was still dazed.

PEI Munian's eyes were full of heartache, but her words were harsh. let's see if you still dare to drink recklessly in the future.

Su Wanwan stuck out her tongue and gestured with her fingers. I only drank so little, so little. Who knew I would get drunk, hehe.

PEI Munian gently patted su Wanwan's head. your body hasn't fully recovered yet. If you dare to secretly drink again next time, you'll be in trouble.

Before he could finish speaking, su Wanwan threw herself into his arms and begged for mercy. I won't dare, I won't dare. I promise there won't be a next time!

Su Wanwan rubbed against PEI Munian's chest like a spoiled child. niannian, don't be angry. My head still hurts.

"Don't act coquettishly!"

Su Wanwan continued to rub against him.

"It's useless to act coquettishly."

Su Wanwan stood on her tiptoes and reached out to hug PEI Munian's neck. She pouted her red lips and kissed the left side of her face.

PEI Munian glanced at her from the corner of her eyes and said coldly, " only one kiss? "

Su Wanwan understood. She tiptoed again, hugged PEI Munian, kissed his right side, and then his lips. you're not angry anymore, right? "
