518 Nightmare (4)

Su Wanwan's small face directly collapsed. These were all thought up by aunt Wu according to her mother-in-law's preferences. If these couldn't make her happy, then didn't she have no way to make her mother-in-law like her?

"then what should we do?" Su Wanwan furrowed her brows, full of frustration, and had the heart to retreat. how about I don't go tomorrow? "

PEI Munian stared at su Wanwan for a few seconds before she curled her lips and slowly opened her mouth. I have a gift. Mother will definitely like it.

su wanwan's eyes lit up. " what gift? "

However, PEI Munian smiled and didn't say anything. She only bent down slightly, picked su Wanwan up horizontally, and then turned around to walk towards the bedroom.

Her body suddenly rose into the air. Su Wanwan subconsciously put her arms around PEI Munian's neck. After stabilizing her body, she widened her eyes in surprise. niannian, what are you doing? "

"Didn't you want to know what kind of gift mother likes? I'll tell you now."

PEI Munian walked into the bedroom and threw su Wanwan onto the soft bedding. The next second, his tall body pressed down, his big palms held her face, and his thin lips kissed her.

Su Wanwan was waiting for PEI Munian to tell her what the gift was, but he kissed her without saying a word. Su Wanwan quickly reached out and pushed him away, saying unhappily, " "Niannian, I'm talking to you about serious business!"

PEI Munian's expression did not change. She even replied seriously, " I'm doing something serious with you.

".....?"

What serious matter was this? how was this serious? He was bullying her!

Su Wanwan's cheeks were slightly red and her big eyes stared at him reproachfully. I said, what gift does mother-in-law like? you ran ran, but you only think about ran ran.

"Which matter?" PEI Munian asked, pretending not to understand.

Su Wanwan had only just understood the matters between men and women and was embarrassed to speak up. After being asked this way, her blood rushed up and her whole face turned red. Under PEI Munian's teasing gaze, she flew into a rage out of embarrassment and roared, " "You only want to sleep with me!"

"Ahem."

PEI Munian coughed so hard that she almost choked.

His Wanwan, ah, could always say such shocking words and never know what her next sentence would be.

PEI Munian smiled, gentleness appearing in his eyes. He kissed su Wanwan's wide-open eyes and lazily said, "Wanwan, I'm telling you now how to make your mother-in-law like you.

Su Wanwan squinted her eyes in confusion. if we make Wanwan, will we be able to please mother-in-law? "

yes, the gift that mother likes can't be bought with money. We can only get that gift if we work hard. This is the gift that can make mother happy the most. PEI Munian's voice gradually lowered, and there was a hint of seduction in it.

Su Wanwan blinked. I'll only get a gift when I'm asleep? What's that?"

PEI Munian shook her head, her face unfathomable. Her slender fingers pressed against su Wanwan's lips and she shushed her. Wanwan, it won't work if you say it now. You can't reveal the secrets of heaven.

Although su Wanwan was very curious, she was also afraid that it would fail. She nodded vigilantly, "alright, I won't ask!

After that, she turned around and pressed PEI Munian under her. She said sternly, "Come on, let's try our best to sleep!"

After saying that, she yanked PEI Munian's bathrobe off without hesitation.
