521 Nightmare (7)

Su Wanwan thought that she would be able to pass the test after Mrs. PEI smiled just now. It seems that it's not that simple ah ...

PEI Munian raised her hand and gently patted su Wanwan's head, comforting her. I'll go for a while. You can sit here for a while. If you're hungry, ask the Butler to bring you some pastries. Or if you want to walk around, I'll call a servant to accompany you. The scenery at the old residence is not bad.

Su Wanwan shook her head again and again. Her mother-in-law still had some opinions about her, so she didn't dare to wander around casually, so she answered very tactfully, "no need, I'll just sit here. You have a good chat with her. You must make her like me.

PEI Munian smiled, then leaned over. Ignoring everyone's eyes, she planted a kiss on su Wanwan's Red lips. okay, I will make her like you.

Su Wanwan shyly pushed PEI Munian. PEI Munian got up and walked out with her long legs.

—

When PEI Munian walked out, Mrs. PEI was standing on the balcony, looking at the sea of flowers in front of her. It was a good season for flowers to bloom, and the flowers were competing for beauty, each more delicate than the last, which was pleasing to the eye.

PEI Munian walked forward and his gaze fell on the sea of flowers. After a few seconds of silence, he said, "mom.

Mrs. PEI turned around, raised her eyes, and quietly sized up her son. Looking at his deep outline and determined eyes, in a daze, she truly realized that her son had completely grown up and was a truly mature man.

He had things he wanted and things he wanted to protect. He couldn't let others control them.

Mrs. PEI's gaze went past PEI Munian and looked sideways at the living room. She looked at su Wanwan's vague figure through the floor-to-ceiling glass window and sighed softly.

mu Nian, Wanwan's current state is indeed worthy of sympathy, but Qianqian doesn't remember what happened in the past. Everyone else still remembers, and that can't be erased. The matter between her and Lingyu was such a big deal back then, and now you're publicly announcing that she's your wife. That's the same as publicly announcing that she was once disloyal to her marriage. Do you know how many people are laughing at our PEI family now? "

As soon as Mrs. PEI thought of this, she felt extremely stifled. At that time, she tried so hard to match them together and created so many opportunities for su Wanwan. She didn't appreciate it and she didn't blame her. However, she shouldn't have gotten close to another man when they were still married. She even made the news. She simply threw the face of the PEI family.

She had let down her good intentions and hurt her too much.

“Mom, when will you be like those people outside, believing things without any evidence? Just based on a few photos on Weibo, you determined that Wanwan and Lingyu were up to no good? You don’t trust your son’s judgment that much?”

PEI Munian’s Black eyes lifted slightly and her voice was lazy. I’m the only one who has the right to say whether Wanwan has ever done anything to let me down. We’re good.

Mrs. PEI couldn’t help but hit PEI Munian’s arm. you should know best whether or not he did. At that time, you two had such a big fight and Wanwan was so determined to divorce you. How could it not be related to Lingyu, ran ran? ”

Before she could finish her sentence, PEI Munian interrupted her impatiently. mom, I’ve already said that they have nothing to do with each other! Wanwan was my wife in the past, and she will be my wife in the future! This is a fact that no one can change!”

“You,”
