If it was the SU Wan of the past, she naturally wouldn't be fooled by Xi Zhiwei's little trick, but the current her didn't have any memories of the past, and Xi Zhiwei seemed to understand everything and stood at a different height from her. She knew everything about her, she didn't know anything. This kind of feeling made her extremely crazy and depressed. She couldn't help but want to know what happened in the past!

Su Wanwan suddenly stood up, her black eyes wide open and full of anger. if you have something to say, just say it. What's the point of hiding it like this? " Since you wanted to talk to me, didn't you want to tell me that you and niannian actually have a relationship? Is there any meaning to this?"

She couldn't remember the past but that didn't mean she was stupid. She knew what Xi Zhiwei's motive was.

Xi Zhiwei didn't expect su Wanwan's temper to come so easily, but it was enough to see how much PEI Munian pampered and spoiled her. She had stayed by PEI Munian's side for so many years just to get a little gentleness from him, but what about him? He had never seen her. He had only given all his love and pampering to su Wanwan.

She had met PEI Munian first and was the one who had been by his side. Why should she, who came later, snatch her away just like that?

The hatred in Xi Zhiwei's heart for su Wanwan also burst out at this moment. She sneered, looked straight at su Wanwan and opened her mouth, " su Wanwan, what can I say now? Brother mu Nian will be unhappy with me because he thinks I'm trying to drive a wedge between him and me with just a few words. I don't want him to be unhappy, so I'm willing to suffer any grievances. Even if I have to be kept in the dark for the rest of my life, I'm willing to do so!"

but sister Wanwan, you really don't have to worry too much about what happened between me and brother mu Nian because he won't leave you. Brother mu Nian has always been a responsible man. He was able to marry you back then out of responsibility, and now he's able to stay by your side out of guilt. These things are much more powerful than love.

"Yingluo, what do you mean? What responsibility? What guilt?"

ah, I forgot again. You don't remember anything. I'm telling you this because I'm playing the zither to a cow, right? " Xi Zhiwei patted her head and said apologetically, " I said the wrong thing. I shouldn't have said this to you.

Xi Zhiwei looked at su Wan's face that suddenly turned pale and her heart was very happy. The grievances she suffered these days could finally be returned.

She raised her hand again and touched her belly. There was a touch of gentleness in her eyes. sister Wanwan, I'll support brother Munian in everything he does. So, the child and I sincerely wish you happiness.

The child

Su Wanwan's eyes suddenly focused on Xi Zhiwei's stomach. Xi Zhiwei's words revealed that she had a relationship with PEI Munian. Was her previous guess true? This child was PEI Munian and Xi Zhiwei's?

Su Wanwan bit her lower lip hard, almost to the point of bleeding. She took a deep breath and forced back the tears in her eyes. Xi Zhiwei, is the child Yueyue niannian's? "

Xi Zhiwei's hand that was caressing her stomach paused for a moment, but she continued to smile. sister Wanwan, I've already said that you don't have to ask these meaningless questions. Now that brother Munian is by your side, isn't that enough? "

He was by her side, but his heart wasn't with Yingluo?
