She was suppressed by su Wanwan every time. She had held this breath for so long. Now that the tables have turned, it was time for her to shine.

Su Wanwan's Black eyes moved stiffly and fell on Xi Zhiwei's smiling face from the beginning to the end. She finally understood what the book meant by hiding a knife in a smile.

Not to mention how much of her words were true and how much of them were false, but her teasing really made him angry.

Xi Zhiwei was caught off guard and was splashed by the water. Her entire person was stunned.

Someone actually dared to hit PEI Munian's woman?

“You what? If you weren’t pregnant, I wouldn’t be like this! No matter what, niannian and I got married first. You’re the third party, and all third parties end up like this, yet you still dare to show off in front of me! If the Tiger doesn’t show its might, do you think I’m a sick cat?”

"I'm telling you, you're not qualified to use this card!"

Su Wanwan didn't know where she found the strength to break the card. With a crack, she threw the card directly at Xi Zhiwei's face. The sharp corner of the card even poked her skin and she gasped in pain.

Su Wanwan slapped the table again. The sound was so loud that almost everyone present was shocked.

Su Wanwan glared at Xi Zhiwei, her entire body exuding an imposing aura. Xi Zhiwei, let me tell you, if you want to bully me just because I don't remember anything, there's no door, no window!

Even PEI Munian did not dare to bully her, and her mother-in-law did not bully her either. What was she, Xi Zhiwei, even?

It was said on TV that third parties were all bad people who were spurned by others. If she still dared to be so ostentatious, she would deal with her!

Su Wanwan clapped her hands, raised her head, snorted coldly, and then left.

It wasn't until Su Wanwan's figure disappeared at the entrance of the coffee shop that the others came back to their senses. Xi Zhiwei's two assistants quickly ran over and helped Xi Zhiwei's still trembling body up. They asked, "sister Weiwei, are you okay?"

"Ah-!"

Xi Zhiwei finally came back to her senses. She was so angry that she screamed, "a bunch of useless people, useless people!"
